A LETTER FROM "ABLE BE MODERN" GROUP

At Able Be Modern, craftsmanship, innovation, and vision define who we are. To those who have trusted us since our beginnings as VIP Saloti, we offer our deepest thanks. To those just discovering us, we look forward to building something extraordinary together. Blending artisanal mastery with modern manufacturing, we create contemporary furniture for private residences, hospitality, and public spaces worldwide. Across more than 600,000 square feet of production space in Southeastern Europe, we remain grounded in tradition while embracing a forward-looking spirit. For us, growth is a matter of balance — honoring our heritage while shaping a more remarkable, sustainable future. Thank you for being part of the Able Be Modern journey!

MODERN *heritage*

Able Be Modern crafts high-end home furnishings and large-scale interiors, blending premium materials, artisanal craftsmanship, and innovative technologies. Rooted in tradition yet attuned to the modern world, we champion innovation without ever compromising on quality. For us, growth is a matter of balance — honoring heritage while embracing a bold, forward-looking vision.

Rooted deeply in tradition, able be modern draws on a legacy of heritage techniques, honoring the past with every curve, cut, and contour. Yet, we are firmly grounded in the present — and looking toward the future. Innovation pulses through our work, not for the sake of trend, but to reimagine what is possible when design meets intention.

At able be modern, we don't just design spaces — we design experiences. Each creation is a dialogue between history and possibility, craftsmanship and technology, the familiar and the new. In everything we do, we remain guided by one principle: evolve without losing what matters most.

CRAFTED *in* EUROPE

At Able, every design is a delicate, artisanal pursuit — a quest to reveal the unique personality of each piece. Our commitment to handmade craftsmanship and precise detailing defines every product we create.

We exclusively use premium, high-quality materials sourced from leading European suppliers, ensuring excellence at every stage. Every component — from the raw materials to the finishes — is thoughtfully selected and crafted within Europe.

Every piece reflects our milestones
a story of bold vision, craftsmanship,
and a brand we're proud to stand behind

YOUR VISION *seamlessly crafted*

At Able, we create fully customized, bespoke furnishings designed around each client's unique vision. Our collection spans modern and contemporary pieces featured in private villas, boutique hotels, luxury resorts, yachts, private jets, sports cars, and exhibition spaces.

Every step — from sourcing to production — is carried out in-house and by hand, ensuring exceptional precision and flexibility. By controlling the entire process within Europe, we offer a truly personalized, single-source solution for clients seeking tailored excellence.

Rooted in European tradition and driven by innovation, Able delivers refined, one-of-a-kind interior solutions defined by craftsmanship, customization, and trust.

With a deep respect for material integrity and artistic expression, Able brings together master artisans, cutting-edge techniques, and timeless design principles. Our team collaborates closely with architects, designers, and clients to translate ambitious ideas into tangible, enduring works of functional art — each piece a testament to our commitment to quality, detail, and distinction.

BELLADONA

The Belladonna Modern Sofa isn't just furniture—it's a statement of style and sophistication. Designed with clean lines and an elegant silhouette, this sofa effortlessly enhances the ambiance of any living room, office, or luxury space. Its sleek form is a perfect blend of modern aesthetics and timeless design.

Crafted with exceptional care and detail, the Belladonna Sofa speaks to the art of fine craftsmanship. Premium materials and precision upholstery ensure durability and comfort, making it as functional as it is beautiful. Every stitch, curve, and contour reflects quality and thoughtful design.

Whether you're hosting guests or enjoying a quiet evening at home, the Belladonna Sofa provides a plush and inviting experience. It doesn't just fit into your space—it elevates it, reflecting your taste and lifestyle with quiet confidence and luxury.

CLEMENT

The Clement luxury sofa collection captures the timeless elegance of premium Italian leather craftsmanship. With its statuesque design and sleek metal base, each piece balances modern sophistication with rich comfort, making it a standout statement in any refined interior.

Defined by flowing lines and seamless contours, Clement sofas feature independently crafted seats and backrests that connect only where needed for structure, offering both visual lightness and functional design. Their sculptural silhouette, accentuated by outer seam detailing, adds a museum-worthy charm.

Beyond aesthetics, the Clement collection is engineered for comfort and durability. Built with a tubular steel frame and multi-density cushions, these sofas are ideal for both residential and commercial spaces. Customizable in leather or fabric, they offer tailored luxury to suit any setting.

EXIT

BOLD

The Bold luxurious sofa is a modern masterpiece, combining striking design with supreme comfort. Its distinctive bulbous shape and curved silhouette make it a statement piece in any contemporary living room. With its sculptural form and soft contours, Bold brings modern elegance to luxury interiors.

Crafted with precision, Bold features a durable multilayer wood frame and flexible polyurethane foam for long-lasting comfort. The seat cushions are expertly shaped with varied-density foam and fiber, offering a perfect balance of softness and support. Chrome legs add a polished touch, enhancing both style and stability.

Available in a wide range of premium fabrics and leathers, Bold's refined upholstery is accented with elegant stitching and vertical quilting on the narrow backrest. Designed for both residential and commercial use, it's ideal for upscale homes, hotels, and sophisticated public spaces—bringing bold design and comfort to every setting.

CRISTIANO

The Christiano modern leather sofa by Able is a bold expression of contemporary luxury. With clean lines, square surfaces, and precise stitching, it brings timeless sophistication to any interior. Designed to be a striking centerpiece, it effortlessly blends minimalist elegance with functional design.

More than just a sofa, Christiano is a modular system with versatile configurations, including corner and inline setups, with or without integrated support surfaces.

Sleek metal legs lend a sense of lightness, while optional built-in walnut coffee tables—available in drop-shaped or rectangular designs—add a refined, practical touch.

Crafted with a multilayered wood frame, flexible polyurethane foam, and plush, multi-density cushions, Christiano offers enduring comfort and durability. Available in luxurious Italian leather or premium fabric upholstery, it's perfect for both residential and upscale commercial spaces seeking tailored, high-end seating solutions.

CINQUANTA RICETTE ITALIANE

JOSE

The Jose leather sofa redefines modern modular design with bold aesthetics and customizable flexibility. Featuring a monolithic form and serene sophistication, it brings contemporary luxury into any space while offering dynamic configuration options to suit modern lifestyles.

A signature upward-curved solid wood base sets Jose apart, adding architectural elegance to its minimalist profile. Plush foam seating, backrests, and armrests flow seamlessly from the base, creating a unified visual and an inviting, comfortable experience.

Built for lasting strength, Jose features a steel-reinforced frame, multi-density polyurethane cushions, and flexible backrests for exceptional support. Available in premium fabric or leather upholstery, its sleek metal legs and clean lines make it a timeless statement for both refined residential and upscale commercial interiors.

GRAND SECTIONAL

ORCHIDEA

Introducing the Orchidea smart sofa — a revolutionary blend of comfortable modern sofas and advanced design. Crafted for personalized relaxation, Orchidea features the innovative smart cushion technology, allowing the backrests and armrests to be easily adjusted with a simple flick of the hand. Whether you prefer a low, high, angled, or fully enveloping position, this luxury modular sofa adapts seamlessly to your comfort needs.

The Orchidea modern style sofas have deeper seating which enhances a relaxed experience, embodying years of technological innovation in furniture design to create a one-of-a-kind sofa that aligns with modern lifestyle demands.

The Orchidea luxury sofa offers customizable configurations, enabling you to arrange seats of various shapes and depths. Whether you prefer a linear sofa layout, an elegant corner sofa arrangement, or a creative freeform seating style, Orchidea adapts to any interior space with ease and sophistication.

Experience the future of modern modular seating with Orchidea — where cutting-edge technology meets luxurious comfort.

ADORE

The Able Adore luxury sofa brings bold artistic expression and refined comfort to modern living spaces. Inspired by the traditions of Italian design, it fuses graphic identity with functional elegance—making it a striking centerpiece in sophisticated interiors.

Defined by its intricate matelassé quilting, Adore plays with light and texture, creating a rich visual depth across its surface. Its flexible, modular design allows for multiple configurations—curved or linear—offering both aesthetic appeal and adaptability for today's dynamic spaces.

Crafted for lasting comfort, Adore features a one-piece ergonomic seat with integrated pocket springs and multi-density foam. Elevated by polished Bronze or Chrome feet and a saddle-hide tray armrest, it embodies luxury and versatility—ideal for homes, offices, and elegant lounge settings.

LUNARA

With its distinctive and organic design language, Lunara draws inspiration directly from the quiet intelligence of nature. The chair's side profile subtly mirrors the elegant silhouette of a snail—a creature known for its graceful curves and gentle presence. This thoughtful form is not merely aesthetic, but symbolic, representing protection, calm, and a sense of home. Lunara's shape speaks of stillness and strength, offering a visually soothing yet dynamic structure.

One of Lunara's most striking features is its translating backrest, which mimics the fluid and comforting motion of a snail retreating into its shell. This movement isn't just functional—it offers a tactile sense of security and restfulness, as if the chair itself is responding to your body's need for comfort. In this way, Lunara becomes more than seating—it becomes an experience that welcomes you in and invites you to linger.

To enhance this sense of personalized comfort, Lunara is equipped with a Sliding Mechanism that allows the backrest to be adjusted effortlessly. Whether tall or petite, every user can find their ideal position, ensuring ergonomic support and prolonged ease. The result is a chair that feels tailor-made—adapting to you, rather than the other way around. Elegant, responsive, and intuitive, Lunara truly acts as a modern shell that embraces and supports you throughout your moments of rest.

CALISSE

Calisse is more than just a sofa—it's a defining element of the home, offering lasting emotional and aesthetic value. With its contemporary elegance and modular flexibility, Calisse embodies quiet sophistication, designed for those who appreciate thoughtful, forward-looking furniture.

Raised on two solid wood slides, Calisse's cushions rest on a leather-covered platform that evokes the grace of a modern-day flying carpet. Its open-line seats are paired with integrated shelving elements, while sculpted backrests and armrests provide a sense of structure, comfort, and calm protection.

Engineered for enduring comfort, Calisse features sculpted elements in expanded polyurethane, wrapped in channeled down feather quilting for uniform softness. The floating seat cushions, made from multi-density foam and finished with the same feather quilting, deliver a perfect balance of resilience and plush, enveloping comfort.

VISTA

Vista is a refined modular sofa collection offered in three lengths, allowing for flexible configurations including chaise longues, stools, and back-to-back seating. Crafted from multilayer and solid wood with reinforced elastic straps, its structure ensures durability and long-term comfort. The seating features memory foam combined with multi-density polyurethane for a responsive, body-adapting experience.

Backrests and armrests are made of high-density polyurethane wrapped in soft fiber padding and goose feathers, offering both support and plush relaxation. Upholstery is fully removable and available in fine fabrics or premium leather. Optional storage armrests in saddle leather include ash wood drawers and customizable tops in various ash finishes or luxurious marbles like Calacatta and Portoro.

Vista extends beyond seating with coordinated accessories, including elegant low tables in ash, Canaletto walnut, or mahogany, as well as drawer units with marble or Peltrox-finish metal tops. A crystal glass basin in grey or bronze adds a sophisticated touch, while asymmetric quilted stools and goose-down cushions in multiple sizes complete this elevated, highly customizable living system.

AMORINO

The Amorino modern sofa by Able embodies flawless elegance, perfect for elevating private homes and sophisticated public interiors alike. Designed for modern lounge settings, it creates an inviting space that blends relaxation with refined style.

Built with a durable fiberglass and resin structure, Amorino offers lasting strength alongside luxurious comfort through multi-density polyurethane cushions and polyester fiber.

Customizable upholstery options include high-end fabrics and premium leather, allowing you to tailor it to your décor.

A standout feature is its integrated carbon fiber coffee table, combining bold contemporary design with practical functionality. Available in two spacious sizes, Amorino suits upscale living rooms, hotel lounges, and executive waiting areas, making it a true statement of Italian craftsmanship and modern sophistication.

CHESTER

The Chester modern leather sofa by Able masterfully blends classic tradition with contemporary Italian craftsmanship. Ideal for hospitality settings like hotel lobbies and executive lounges, Chester brings timeless elegance and sophisticated style to any space.

Featuring distinctive tufted detailing and a deep, enveloping backrest, Chester offers plush comfort supported by a robust multilayered wood frame and high-resilience polyurethane foam. Its modular design adapts to various layouts, including armchairs, two- or three-seater sofas, and custom configurations.

Available in premium leather or rich fabrics, Chester is finished with sleek chrome metal legs, perfectly marrying old-world charm with modern design needs. This versatile, luxurious sofa is a standout choice for upscale commercial interiors and refined public spaces.

3 SEATER SOFA

2 SEATER SOFA

LINH

Introducing the Linh curved sofa—a stunning fusion of neoclassical elegance and modern leather sophistication. With its distinctive curved silhouette and artistic metallic base, Linh commands attention as a bold centerpiece in refined interiors.

Crafted for durability and comfort, Linh features a sturdy multi-layered wood panel frame and plush seat cushions made from high-density polyurethane foam and soft polyester fiber. This combination delivers perfect support, ideal for relaxation or stylish entertaining.

Customize Linh with premium leather or cozy fabric upholstery to match your unique space. Supported by painted MDF legs that blend stability with contemporary flair, this luxury curved sofa enhances any setting—from elegant living rooms to upscale hotel lobbies—offering timeless charm with a modern edge.

MIYA

Elevate your living space with the MIYA modern 2-seater sofa, a perfect blend of sleek design and refined comfort. Its minimalist silhouette and clean contours bring contemporary elegance to any room, making it ideal for stylish living rooms, cozy corners, or modern offices.

Built with a durable resin internal frame and reinforced back support, MIYA guarantees lasting stability and resilience. The premium seat cushions combine shaped polyurethane foam of varying densities with soft polyester fiber, offering plush comfort for relaxation or entertaining.

Supported by painted metal feet that add a modern flair, MIYA is available in luxurious fabric or refined leather upholstery. Compact yet versatile, this sofa fits perfectly in small spaces while effortlessly complementing diverse interior styles from minimalist to eclectic.

GRAND SECTIONAL

ODIN

Discover the Odin 3 Seater Leather Sofa, a symbol of sophistication and modern versatility. With clean lines, luxurious materials, and sleek metallic accents, Odin enhances living rooms, office lounges, and boutique spaces with timeless elegance.

Built on a sturdy tubular steel frame reinforced with steel profiles, Odin offers exceptional strength and stability. Its back support combines flexible cold-shaped polyurethane foam and soft polyester fiber, while the seat cushions provide plush yet structured comfort with multi-density foam.

Available in a wide range of customizable upholstery options—from premium leather to high-quality fabrics—Odin effortlessly adapts to your style. Perfect for upscale homes and commercial settings, it blends comfort, style, and function to elevate any interior with enduring beauty.

OSCAR

The Oscar curved leather sofa is a stunning fusion of neoclassical design and modern aesthetics. Its artistic curved silhouette paired with an irregular metallic base makes it a striking centerpiece for any luxurious living space.

Crafted with a durable multi-layered wood panel structure, Oscar promises lasting stability and superior comfort. Plush seat cushions of shaped polyurethane foam and soft polyester fiber deliver the perfect balance of support and softness for relaxation or entertaining.

Personalize Oscar with premium fabric or genuine leather upholstery to suit your style. Supported by painted MDF legs that add contemporary flair, this sofa adapts beautifully to upscale homes, hotel lobbies, and chic office lounges, embodying timeless elegance and modern sophistication.

AMANDA

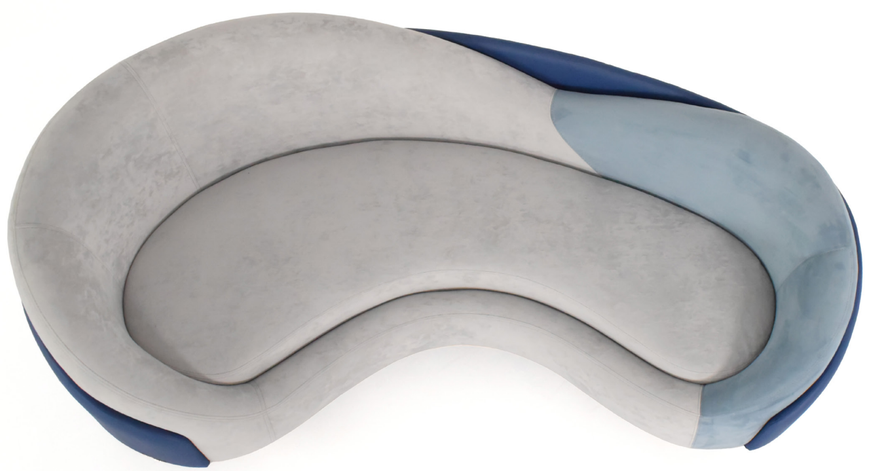

Introducing Amanda, a symbol of refined luxury and contemporary elegance. This exquisite 3-seater curved sofa combines sophisticated charm with exceptional comfort, making it a stunning focal point in any living space.

Crafted with a sturdy multilayered wood panel frame and flexible polyurethane foam, Amanda ensures lasting durability and plush support. The seat cushions feature shaped polyurethane of varying densities and polyester fiber, delivering superior comfort for everyday relaxation.

Available in premium fabric or luxurious leather upholstery, Amanda can be personalized to fit your style. Its sleek black painted metal legs add a modern touch to the sculptural silhouette. Designed by Steven Favreau, Amanda is a masterpiece that balances artistic vision with ergonomic design.

NYC

BUBBLÉ

Elevate any space with the BUBBLÉ luxury sofa, a masterpiece that blends smooth contours and clean lines with refined elegance. Designed to enhance both relaxation and social interaction, BUBBLÉ creates an inviting atmosphere perfect for cozy gatherings or lively conversations.

Handcrafted in Albania with meticulous attention to detail, BUBBLÉ features generous seating upholstered in soft, luxurious fabric that exudes sophistication. Its half-round curved design encourages easy circulation and fosters connection, making it ideal for hotel lobbies, waiting rooms, or stylish public spaces.

Fully customizable in a variety of sizes and finishes—including leather or fabric—BUBBLÉ offers versatile options to suit your aesthetic. Supported by sturdy carved wooden legs, this timeless sofa combines durability with contemporary charm, promising lasting beauty and comfort.

OSLO

Introducing the Oslo Modular Sectional Sofa, a masterful blend of traditional craftsmanship and modern living. Its unique interchangeable upholstery jackets allow for effortless customization, adapting seamlessly to any environment, mood, or season.

Crafted with a robust internal frame of solid wood, tubular steel, and steel profiles, Oslo ensures lasting durability and stability. Ergonomically designed backrests with cold-shaped polyurethane foam and plush multi-density seat cushions offer superior comfort.

Elevated on sleek painted black metal legs, the Oslo collection offers a range of fabric and leather upholstery options. Designed by Riccardo Giovanetti for Able, it embodies contemporary sophistication, ideal for luxury homes, upscale hotels, and modern contract spaces.

EVELYNN

Introducing the EVELYNN luxury 3-seat sofa, a timeless blend of elegant design and exceptional comfort. Meticulously crafted, this statement piece elevates any living space with its distinctive curved angles, round cushions, and intricate woven leather rope and button detailing.

Built on a durable multilayered wood panel structure, EVELYNN offers lasting stability and ergonomic support through flexible polyurethane foam and multi-density shaped cushions. The plush seating delivers indulgent comfort for everyday relaxation.

Customization is key, with options for premium fabric or supple leather upholstery, including matching upholstered legs for a seamless finish. Designed by renowned furniture designer Riccardo Giovanetti, EVELYNN perfectly balances artistic vision with refined luxury, making it ideal for sophisticated homes and stylish interiors.

ALLURE

The Allure modular leather sofa redefines contemporary luxury with its smooth lines and inviting silhouette. Featuring a wide seat and enveloping backrest, this versatile design adapts effortlessly to any space, from residential living rooms to upscale hospitality settings.

With endless configuration possibilities—including two- and three-seater options—Allure offers tailored seating solutions enhanced by signature vertical stitching and a unique upward-curved wood base that adds architectural elegance. Its plush nabuk leather upholstery elevates comfort and style.

Built on a durable tubular steel frame, Allure combines flexible cold-shaped polyurethane foam and multi-density seat cushions for lasting ergonomic support. Finished with sleek painted metal feet, this sofa is a sculptural centerpiece that blends meticulous craftsmanship with modern sophistication.

BELEN

The Belen modular leather sofa redefines upholstered furniture with its versatile, customizable system designed for workplaces, hospitality spaces, and dynamic living areas. Featuring 2- and 3-seater sofas along with large poufs, each modular piece functions like a puzzle, allowing easy assembly and tailored seating arrangements.

A standout feature is the adjustable backrest support, which can be positioned freely for enhanced ergonomic comfort. Built for contract use, Belen offers replaceable backs and cushions, enabling effortless reconfiguration between lounge and traditional sofa setups—perfect for evolving spaces.

Crafted from durable multilayer wood panels and flexible polyurethane foam, Belen ensures lasting comfort and strength. Available in fabric or leather upholstery with sleek metal legs, this modern collection suits commercial interiors, waiting rooms, hospitality lounges, and contemporary homes with sophistication and style.

SECTIONAL

ARIA

Introducing the Aria modular sofa, designed for ultimate versatility and comfort. With a variety of modular units—including corner pieces, armless seats with sofa tables, and armrest options—Aria lets you create personalized living room compositions tailored to your space and style.

Aria offers customizable seating depths and freely arrangeable seats, armrests, and backrests to suit any layout, from linear sectionals to cozy seating islands or conversation zones. Two backrest heights, including a taller option with lumbar bolster support, ensure ergonomic comfort in every configuration.

Built with a multilayered wood panel frame and high-resilience polyurethane foam cushions, Aria balances plush comfort with lasting durability. Upholstery choices include premium fabric or leather, complemented by elegant lacquered or painted wooden legs. Whether for a two-seater, curved modular setup, or a fully customizable sofa set with removable covers, Aria provides a stylish, adaptable solution for modern living.

BLOOM

The Bloom chaise lounge sofa is a versatile, elegant piece designed to fit any layout or lifestyle. With clean lines and high-quality upholstery, it brings warmth and refinement to modern living spaces. Its polyurethane foam core ensures lasting comfort and support.

Bloom combines monobloc and sectional modular configurations, offering endless options for personalized seating arrangements. This minimalist collection, crafted by Able, blends style with adaptability, making it ideal for diverse interiors—from waiting rooms to hotel lobbies and public venues.

Built with premium materials, Bloom guarantees durability and plush comfort, perfect for high-traffic contract settings. Available in multiple sizes—including 4-seater sofas, leather sectionals, and chaise longues—and a wide range of fabric options, Bloom effortlessly adapts to various décor themes. Its refined design and robust construction make it a favored choice for sophisticated hospitality and upscale residential spaces.

EDWARD

Edward is a stunning example of minimalist elegance, featuring clean lines and a refined silhouette that adds timeless charm to any space. Designed for subtle sophistication, it fits perfectly in modern lofts, upscale homes, and commercial interiors.

Built with durable multilayered wood panels and flexible polyurethane foam, Edward offers lasting comfort and support. Chrome-finished metal legs provide stability while enhancing its sleek, polished look.

Customization is key—choose from premium leather or fabric upholstery in neutral or bold colors to suit your style. The modular design allows versatile configurations, from compact 2- and 3-seaters to expansive L-shaped sectional setups.

A standout feature is the adjustable headrest, available in short or extended lengths for optimal neck and back support, ideal for both casual lounging and formal seating.

ALTO

Alto offers a versatile modular seating system featuring lounge and armless units. Its modern sectional design provides exceptional comfort through double padding that supports the body for total relaxation. Slim armrests add a touch of elegance and lightness to the sofa's refined look.

The latest model introduces new cushions and inclined modules, enhancing both comfort and contemporary style.

Alto's essential design and generous proportions create a cozy, inviting atmosphere while allowing full customization.

Enhance your space with Alto System coffee tables, headrests, and writing desks, creating personalized relaxation zones tailored to your needs. Adding armchairs and coffee tables effortlessly completes a sophisticated living area.

LOUNGE

SECTIONAL

GAYA

The Gaya leather sectional sofa is a refined, professional piece that combines elegance with supreme comfort. Featuring clean lines and a classic design, Gaya suits any sophisticated setting. Available in standard sofa and sectional sizes, it can be customized with modular corner and sofa units to fit your space perfectly.

Distinctive slightly curved arms add sophistication, while the slim profile and detailed “line” tufted back cushions enhance its visual appeal. Crafted with a durable multilayered wood panel structure and flexible polyurethane foam, Gaya ensures lasting support. The seat cushions use shaped polyurethane of varying densities combined with polyester fiber for optimal comfort.

Offering versatile upholstery options, Gaya is available in luxurious fabric, fine leather, or nubuck, all complemented by sleek black painted metal legs. Its high polished steel legs create an elegant, slender silhouette, elevating the sofa’s refined presence.

SARDEGNA

Introducing the Sardegna Modular Sofa—a distinctive blend of style, comfort, and versatility. This modern luxury sofa's unique curved design sets it apart from traditional straight-line sofas, offering generous depths for an inviting and cozy seating experience. Whether you prefer sitting upright or reclining comfortably, Sardegna adapts effortlessly to your needs.

Crafted with precision, the sofa features a durable multilayered wood panel structure combined with flexible polyurethane foam for lasting comfort and support. Its seat cushions, made from shaped polyurethane of varying densities and polyester fiber, deliver plush yet ergonomic seating.

Customization is at the heart of Sardegna. Choose from a broad selection of premium fabric or leather upholstery to perfectly complement your style while ensuring durability. Sleek black-painted metal legs provide stability and a modern, refined finish.

OMEGA

Omega represents the perfect fusion of comfort and style, offering a collection of modern rounded sofas designed to elevate any living space. Whether creating a cozy retreat or a sophisticated seating area, Omega's range caters to all your needs.

Expertly crafted with a durable multilayered wood panel structure and reinforced by a tubular steel and steel profile frame, Omega sofas ensure lasting strength and stability.

The standout feature is their exceptional comfort—seat cushions made from shaped polyurethane foam of varying densities combined with polyester fiber deliver the ideal balance of support and softness. Upholstery options include a broad selection of premium fabrics and leathers, inviting you to indulge in luxury.

ROMA

The Roma modular leather sofa collection exemplifies proportion, linearity, and adaptability, designed to create a contemporary and inviting living space. Roma offers versatile and intimate seating, perfectly suited for any environment.

A signature feature of the Roma collection is its angled armrests, thoughtfully crafted to provide comfort and support—ideal for reading, relaxing, or socializing. Whether enjoying quiet moments or hosting guests, the Roma luxury leather sofa adjusts seamlessly to your lifestyle.

Built with a robust multilayered wood panel structure, Roma ensures lasting durability and stability. Flexible polyurethane foam within the frame enhances support and comfort, while seat cushions crafted from polyurethane of varying densities add plushness and longevity. Available in premium fabric or fine leather, Roma can be personalized to complement your aesthetic.

INGRID

Introducing Ingrid, the epitome of modern sofa design and elevated comfort. Ingrid luxury sofa stands out with its clean square lines and generously padded cushions, offering a luxurious seating experience that's both stylish and durable. The matte lacquered metal legs, available in a variety of finishes, lend an extra layer of contemporary elegance to this versatile piece. With its softly padded structure, Ingrid transforms any space into a serene retreat, inviting relaxation and ease.

Ingrid's true distinction lies in its customizable design. Every component—from the upholstery to the configuration—can be tailored to reflect your style and needs. Whether you opt for premium fabric or genuine leather, Ingrid adapts beautifully, becoming a perfect extension of your personal aesthetic.

Designed with flexibility in mind, Ingrid modular sofa complements a wide range of interior environments. Whether it's a hotel suite, a modern conference lounge, or a private living room, this sofa integrates effortlessly. Its minimalistic form delivers a timeless vibe, while its modularity allows it to evolve with your space.

Built to last, Ingrid luxury sofa set features a multilayered wood panel frame paired with flexible polyurethane foam for resilient support. The seat cushions are crafted with high-density shaped polyurethane and layered with polyester fiber, ensuring both structure and comfort. With sleek painted metal legs completing the look, Ingrid balances functionality with refined aesthetics.

INGRID MAXI

Introducing the Ingrid Sectional, a masterpiece of contemporary design that perfectly blends modern sophistication with exceptional comfort. Featuring clean square lines and plush cushions, this modular sofa offers a luxurious seating experience that is both stylish and durable. Its matte lacquered metal legs, available in various colors, add an elegant finishing touch, enhancing any space's aesthetic.

What truly distinguishes the Ingrid Sectional is its outstanding customizability. Every element can be tailored to your preferences, allowing you to create a piece that complements your environment and reflects your unique style. Choose from a range of upholstery options, including premium fabric or leather, to suit your needs.

Versatile and adaptable, the Ingrid Sectional is ideal for diverse settings—from contemporary hotel lounges to professional conference rooms—seamlessly integrating into both commercial and residential projects. Its modern yet simple design ensures a timeless appeal that endures through trends.

BEVERLY

This sectional sofa is the epitome of relaxed sophistication, combining generous proportions with a clean, contemporary silhouette. Its modular design offers versatility, allowing it to adapt seamlessly to different living spaces while maintaining a sense of cohesion and balance.

Upholstered in a soft, neutral fabric, the piece exudes understated luxury, inviting comfort without compromising on refinement. Plush back and seat cushions provide a tactile depth, enhancing the sense of ease and inviting moments of leisure.

With its harmonious blend of comfort and sculptural simplicity, this sofa creates an atmosphere of effortless elegance in any modern interior.

Where every stitch honors tradition, and every curve speaks to decades of mastery.

AMPHORA

The Amphora modern armchair is a true masterpiece, meticulously crafted by skilled artisans. This Rococo-inspired statement of timeless sophistication armchair combines lightweight construction with an unparalleled level of comfort, making it the perfect addition to any luxury living room or hospitality space.

Designed by our in-house Able Design Studio, the Amphora Armchair pays homage to our Albanian heritage, drawing inspiration from the ancient vase known as the Amphora. The graceful curves of this traditional vase are reflected in every detail of the armchair, from its elegantly shaped arms to its curved body and sculptural legs. The Amphora designer armchair seamlessly blends the past with the present, adding a touch of sophistication to any interior.

The structure of the Amphoracontemporary accent armchair is made of fiberglass and resin, ensuring both durability and longevity. The seat cushion is crafted with shaped polyurethane of varying density, providing optimal comfort and ergonomic support. Choose from a range of upholstery options, including luxurious fabrics or supple leather, to personalize to your unique style.

With its ergonomic design, the Amphora Armchair offers a truly comfortable seating experience. The backrest and armrests provide additional support, allowing you to relax and unwind in style. Whether placed in a hospitality lounge or a residential project, this armchair effortlessly enhances any space with its timeless beauty and exceptional craftsmanship.

YARA

The Yara is a timeless luxury armchair that combines both functionality and elegance. Its soft and sophisticated design enhances its purpose while providing ultimate comfort and aesthetic appeal. Whether used as a single piece or in pairs, the Yara armchair adds a sculptural element to any modern living room and effortlessly complements various atmospheres.

Not only is the Yara armchair stylish, but it is also designed with comfort in mind. Its compact size allows it to fit seamlessly in a bedroom accent chair setting or a cozy living room. It features a wide, fully padded seat and backrest that provide excellent back support. These elements are connected by aluminum glides, adding a touch of modernity to the overall design and making it a perfect contemporary lounge chair.

The Yara armchair was specifically created to embrace the natural shape of the human body. Its rounded and generously proportioned form creates a relaxed and inviting atmosphere.

The Yara armchair is part of the Able Contract Collection and boasts a structure made of fiberglass and resin. The seat cushion is made of shaped polyurethane of different densities and polyester fiber. The upholstery options include fabric or leather, allowing for customization to suit individual preferences. The finish of the chair features a metallic paint, adding a luxurious touch to its overall appearance.

THOR

The metallic element that defines the contours of the seats, with its natural curves, takes center stage in the Thor armchair. The sleek metal frame elegantly extends from the feet to the armrests and backrest, forming a sinuous structure that supports the soft fabric and cushions. This design creates a lightweight yet sturdy appearance, perfectly balancing textile comfort with metallic sophistication.

Introducing the Thor armchair—a modern luxury furniture piece that combines striking style with exceptional comfort. Its distinctive metallic framework not only provides robust support but also serves as a bold visual feature.

Designed for ergonomic comfort, the seat cushion is crafted from shaped polyurethane of varying densities, delivering plush support. The backrest incorporates flexible cold-shaped polyurethane foam, ensuring an inviting and comfortable seating experience in this metal lounge chair.

AMORINO

The Amorino leather armchair is a true masterpiece—a harmonious blend of art and craftsmanship inspired by the delicate form of a rose, symbolizing intimacy, love, and balance. Its graceful shapes, flowing curves, intricate stitching, and blossoming design evoke the beauty of springtime blooms, inviting admiration at every glance.

This luxurious modern armchair is crafted for both style and comfort. Its durable fiberglass and resin structure provides strength while maintaining a sleek, refined silhouette. The seat cushion features shaped polyurethane combined with polyester fiber, delivering exceptional comfort and support.

Personalize the Amorino armchair with a wide selection of premium upholstery options, including rich genuine leather and sophisticated fabrics. A standout feature is the integrated carbon fiber coffee table, which adds a contemporary edge and enhances functionality—perfect for enjoying drinks or displaying decorative accents within easy reach.

BELLADONA

The Belladonna designer armchair collection says the most about the kind of quality family or business you belong to and the kind of lifestyle you embrace. It's a showcase of the finest craftsmanship and strict code of artisanal patience to achieve, made entirely 100% by hand, signifying that all things worth waiting for are in fact in the end glorified through perseverance and courage.

The Belladonna tufted leather sofa features a sturdy internal frame made of wood, tubular steel, and steel profiles, ensuring durability and stability for this piece of luxury seating furniture. The back internal frame is crafted with flexible cold-shaped polyurethane foam and polyester fiber, providing optimal comfort and support. The seat cushion, made of shaped polyurethane and polyester fiber, offers a luxurious seating experience.

With its painted black metal legs, the Belladonna sofa exudes sophistication and complements its elegant design. You have the option to choose from a range of fabric or leather upholstery, allowing you to personalize the tuftedleather chairs to match your style.

Whether placed in a modern armchairs setting like a living room, office, or lobby, the Belladonna sofa radiates elegance and refinement. Its handcrafted construction signifies the dedication and skill of the artisans involved. Available in three sizes – armchair, 2-seater, and 3-seater – the Belladonna sofa fits perfectly in any space.

MONACO

The Monaco luxury armchairs, inspired by the vibrant spirit of the Principality of Monaco, exudes a sense of liveliness and prestige through its design. It is a superior piece of luxury seating furniture that offers the perfect blend of composition and appearance, showcasing the exceptional craftsmanship of its makers. With a focus on delivering a truly human experience, from design to conception, the Monaco armchair embodies elegance and sophistication.

This modern armchair fulfills the desire to have a seat reminiscent of a Formula One Grand Prix driver's, making it the perfect choice for both home and office environments. It is a seat fit for leaders and exudes an aura of authority and distinction.

The Monaco armchair is a masterpiece that required hours of meticulous craftsmanship to create an exceptional piece of art for the office space. It is designed by the Able Design Studio, known for their exceptional attention to detail and innovation.

In terms of construction, the Monaco armchair features a fiberglass and resin structure, ensuring durability and stability. The seat cushion is made of shaped polyurethane of different densities and polyester fiber, offering optimal comfort and support. The upholstery options include fabric armchairs or leather armchairs, allowing for customization to suit individual preferences. The armchair is supported by a 4-star metal base with glides, providing stability and ease of movement. Its finish is a metallic paint, adding a touch of luxuriousness to its overall aesthetic.

LOVELYN

The Lovelyn high back armchair, a perfect blend of comfort and style. Its enveloping shape and carefully supported structure make it an ideal choice for luxury seating.

Crafted with a multilayered wood panel, the Lovelyn armchair ensures stability and durability. The curved elements of the seat and back not only add a unique modern furniture touch, but also enhance comfort.

Sink into the plush cushions of the Lovelyn modern armchair, which features shaped polyurethane seating of different densities and polyester fiber for added softness. You can choose from a variety of fabric or leather upholstery options to suit your taste.

The Lovelyn high back chair adds a touch of sophistication to any space, with its curved high back design. It is perfect for grand lofts and living rooms, creating a cozy and inviting atmosphere.

MASON

Mason is the perfect fusion of innovation and well-being—a luxury leather armchair designed for both style and supreme comfort. Featuring a distinctive 4-spoke base and elegantly curved armrests, this chair offers a lightweight yet sturdy structure, crafted 100% by skilled artisans dedicated to perfection.

Every detail of the Mason armchair reflects exceptional craftsmanship—from its meticulously shaped fiberglass and resin frame to the flawless stitching and graceful curves. Handmade with passion, this piece is a timeless luxury furniture statement designed to endure.

The spacious seat cushion, made from shaped polyurethane and polyester fiber, delivers plush comfort and ergonomic support. Its sleek metallic paint finish adds a refined touch, while customizable upholstery options in premium fabric or leather allow you to tailor the chair to your interior style.

TED

The Ted Designer Armchair embodies modern living, striking a perfect balance between practicality and minimalist aesthetics. More than just comfortable seating, Ted stands as a visual masterpiece suited to elevate any environment.

This armchair harmonizes comfort, sophistication, and contemporary design with its sculpted, clean lines and sleek silhouette. The luxurious leather-upholstered backrest features sumptuous folds, while the subtle armrests—reminiscent of an open shirt collar—add an elegant, refined touch, making it ideal for stylish living rooms.

Built on a durable multilayered wood panel frame with flexible polyurethane foam, Ted ensures lasting comfort and support. The shaped seat cushion, crafted from varied-density polyurethane and polyester fiber, provides plush seating.

KING TED

The Ted King Armchair is a luxurious addition to the Ted collection, blending comfort, style, and practicality with sleek, minimalist design. It serves as a striking centerpiece for any modern space.

Inspired by contemporary living, this high-back armchair includes a supportive headrest for enhanced relaxation. Built with a durable fiberglass and resin frame, it offers stability and longevity. The seat cushion, crafted from shaped polyurethane of varying densities combined with polyester fiber, ensures plush comfort.

Customize your Ted King Armchair with premium fabric or leather upholstery to perfectly suit your style. Supported by a sturdy 4-star metal base with glides and finished with sleek metallic paint, this chair combines elegance with functionality.

ORBIT

The Orbit easy chair is a unique and hand-formed designer piece that showcases the exceptional craftsmanship of our talented artisans. Every detail of this easy chair is meticulously crafted by human hands, resulting in a truly one-of-a-kind piece. With a wide range of colors available, you can express your mood and create a space that reflects your unique style.

The versatility of the Orbitleather easy chair is one of its standout features. It provides a comfortable and relaxing seating option, perfect for lounging and unwinding. Whether you choose to use it in your living room, office, or outdoor space, the Orbit easy chair adds a touch of elegance and comfort to any environment.

Constructed with a fiberglass and resin structure, the Orbit modern lounge chair is resilient and durable, making it suitable for both indoor and outdoor environments. The seat cushion is made of shaped polyurethane of different densities and polyester fiber, ensuring optimal comfort and support. The chair is finished with a metallic paint, adding a touch of sophistication to its overall aesthetic. The upholstery options include fabric or leather, allowing for a customizationto match your personal style and preferences.

Due to its resilient structure, the Orbit easy chair is ideal for both indoor and outdoor environments. Whether you want to relax in your living room or enjoy the fresh air on your patio, the Orbit luxury easy chairs provide a comfortable and stylish seating option that will enhance any space.

HILTON

The Hilton luxury wood armchair is a true embodiment of transitional design, offering both elegance and cultural appeal. With its graceful curves and versatile aesthetic, this armchair effortlessly complements both modern and traditional spaces, making it a timeless addition to any interior.

Constructed with a solid wood structure and veneered multilayered wood panel, the Hilton armchair is built to withstand the test of time. Its back and armrests are crafted with flexible, cold-shaped polyurethane foam and polyester fiber, ensuring maximum comfort and support. The Hilton is a unique armchair with wood panel, available in a choice of fabric or leather upholstery, allowing you to customize it to suit your personal style and preferences.

Ideal for a wide range of projects, the Hilton armchair is a popular choice for commercial, hospitality, and residential settings. Whether it's a sophisticated office, an upscale hotel lobby, or a cozy living room, this luxury lounge chair effortlessly enhances the ambiance of any space.

Embodying contemporary style, the Hilton armchair is an upholstered piece that brings a touch of luxury to any room. With its armrests and generously sized seat, it offers a comfortable and inviting seating experience. Additionally, it can also be ordered as a bergere armchair, providing a classic and timeless option for those seeking a more traditional look.

ALANA

The Alana swivel armchair is a reimagining of classic lounge chairs with its simple block-like construction. The grand forms are split into two fully upholstered items, each intended to meet ergonomic requirements, then assembled in a new configuration. The chair has a swivel base and may be utilized in both lounge spaces and private residences. Alana's voluminous and organic forms offer a sense of warmth and relaxation.

The Alana designer swivel armchair reimagines classic lounge chairs with its sleek and minimalistic design. Its block-like construction is split into two fully upholstered items, carefully crafted to meet ergonomic requirements and assembled in a unique configuration. Perfect for both lounge spaces and private residences, Alana offers a versatile seating solution.

The voluminous and organic forms of Alana provide a sense of warmth and relaxation, inviting you to sit back and unwind. Its swivel base adds a touch of functionality, allowing for easy movement and positioning. Whether you're enjoying a moment of solitude or entertaining guests, Alana's timeless design and comfortable seating experience make it a perfect choice.

The seat cushion of Alana is made of shaped polyurethane of different density, ensuring optimal support and comfort. You can choose between fabric or leather upholstery, allowing you to customize this swivel lounge armchair to your preference and complement your existing decor.

CAMILLE

The Camille luxury armchair is a versatile and charismatic piece that effortlessly enhances the decor in any setting. Its understated proportions and graceful lines exude a subtly retro charm, adding a touch of sophistication to both residential and commercial spaces.

Featuring an enveloping upholstered seat back with an exquisitely sculpted opening above the seat, the armchair achieves a lighter and more airy look. The base is available in cast aluminum or solid wood, offering a range of sophisticated shades to choose from.

Not only does the Camille luxury leather armchair boast an elegant design, but it also provides remarkable ergonomic comfort in various positions. With its distinct armrests and continuous smooth surfaces, it invites you to sit back and relax, whether for a quick chat or a longer period of leisure.

Crafted with a solid wood structure and veneered multilayered wood panel, the armchair ensures durability and stability. The flexible cold-shaped polyurethane foam and polyester fiber internal frame of the back and armrest provide optimal support and comfort.

RIBBON

The Ribbon contemporary chair is a striking work of applied art, featuring a unique, fully upholstered design inspired by the classic ribbon motif. Its original form makes it a captivating statement piece for both residential and commercial interiors.

Constructed with a durable fiberglass and resin frame, Ribbon ensures long-lasting stability. The seat cushion combines shaped polyurethane of varying densities with plush polyester fiber for exceptional comfort and support.

Offering extensive upholstery options—from cozy fabrics to elegant leather—Ribbon can be customized to seamlessly complement any décor. Even the base is upholstered, creating a refined, cohesive look from every angle.

KATYA

Katya offers a cozy, secure sitting experience, enveloping you like a calming cocoon. Its large, rounded proportions make it ideal for lovers of modern, rounded armchairs who seek both style and relaxation.

Built with a durable fiberglass and resin frame, Katya is designed for daily use and long-lasting comfort. The seat cushion combines shaped polyurethane of varying densities with plush polyester fiber for optimal support and softness, showcasing expert craftsmanship.

Available in fabric or leather upholstery, Katya can be customized to suit your personal style, adding elegance and sophistication to any space. Its base features a sleek metallic paint finish, lending a modern touch to the overall design.

CATCH

CATCH is a luxury curvedarmchair that exudes a clean and sophisticated aesthetic while also possessing a bold and distinctive personality. Its design is characterized by the repetition of a curved form, creating a visually striking and cohesive look, perfect for modern living room furniture lovers.

The armchair's bulbous structure and curvilinear stitching evoke the shape and texture of a tennis ball, adding a playful and dynamic element to its overall appearance. This unique design element sets CATCH apart from traditional designer armchairs and makes it a statement piece in any space.

Constructed with a multilayered wood panel and flexible polyurethane foam, CATCH ensures durability and long-lasting comfort. The seat cushion is crafted from shaped polyurethane of different density, providing optimal support and a plush seating experience. Additionally, a polyester fiber filling adds an extra layer of softness to the armchair, embodying the comfort expected from high-end furniture.

CATCH armchairs for living room offers the option of upholstery in either fabric or leather armchair finishes, allowing you to customize the piece to suit your personal style and preferences.

GALLIA

The Gallia lounge armchair is the epitome of relaxation, with its high backrest and rounded design. Sink into the comfort of the Gallia lounge armchair, featuring a high backrest and a rounded shape that allows you to unwind in style. The plush upholstery contrasts beautifully with the simple metal frame, while the solid wood armrests add an extra touch of comfort, making it a standout among modern lounge chairs.

With its stiletto feet and original decorative stitching, the Gallia armchair stands out with its unique and distinctive details. Its compact size makes it versatile, perfect for both small and larger commercial projects. Whether placed in a cozy living room or a bustling office, the Gallia armchair effortlessly blends in and enhances any environment with its designer seating appeal.

Choose from a wide range of options to customize the Gallia armchair to your liking. With over 50 upholstery choices and 10 metallic finishes, you can create a look that perfectly suits your style and complements your existing decor. Whether you prefer the luxurious feel of leather lounge armchairs or the practicality of fully removable fabric, the Gallia armchair offers both options.

Experience the ultimate relaxation and style with the Gallia lounge chairs for living room. Its impeccable design, attention to detail, and customizable options make it the perfect choice for any high-end furniture project. Sit back, unwind, and enjoy the comfort and elegance of the Gallia armchair.

FULLMOON

The Full Moon Rocking Chair by Able is a true masterpiece that brings luxury and elegance to any space. This exceptional lounge rocking chair combines artistic craftsmanship with practical comfort, inspired by the serene beauty of the full moon.

Each chair is meticulously handcrafted, making every piece unique. The inner seat foam is expertly layered for optimal comfort, while the outer shell is crafted by hand using traditional techniques, with a durable structure made from fiberglass or carbon fiber for lasting stability.

Upholstered in premium Italian leather or fine fabrics, the Full Moon chair exudes sophistication. Its innovative spherical shell design ensures perfect balance and effortless, frictionless rocking motion, delivering a lightweight and dynamic seating experience.

NEST

Introducing the Nest round armchair, the latest addition to Able Design Studio's collection, a modern seating piece that embodies style and sophistication. Crafted with a durable resin structure armchair and elegant steel legs, this chair exudes modernity. The opulent cushion provides unparalleled comfort, making it the perfect spot to unwind and relax in any luxury interior furniture setting.

Designed with ergonomics in mind, Nest offers a comfortable seating experience. Its low-profile design, walnut wooden frame, and quality steel legs combine to create a visually stunning piece that fits seamlessly into modern residential furniture collections. The cushion, made with a cotton and linen blend, adds a touch of luxury to the chair, making it a premium option among designer lounge chairs.

With its neutral colors and plush comfort, Nest complements any interior decor. It is customizable with a range of metallic paint finishes and a choice of 100 fabrics, allowing you to create a chair that perfectly suits your style and enhances your space. Nest is the perfect seating option as small armchairs for living room.

LOVE

Love swivel armchair is an exceptional leather lounge chair designed with armrests, bringing a fresh perspective to classic seating styles. Its unique block-like construction sets it apart, reimagining traditional designs in a modern luxury furniture approach. The chair's substantial forms are divided into two fully upholstered pieces, carefully crafted to meet ergonomic standards, and then assembled into a bold new configuration.

Featuring a swivel base, Love leather swivel armchair is a versatile piece that can be seamlessly incorporated into lounge spaces and private residences alike. Its voluminous and organic shapes create an inviting atmosphere, offering a sense of warmth and relaxation to anyone who sits in this standout piece of luxury seating furniture.

The seat cushion of Love curved armchair is made of shaped polyurethane with varying densities, ensuring optimal comfort and support. It is further enhanced with a layer of polyester fiber for added softness. As for the upholstery, you have the option to choose from a wide range of premium leather or high-quality fabrics, allowing you to customize the chair to suit your personal style and preferences.

Ideal for furnishing public buildings, including hotels and offices, as well as adding a touch of contemporary elegance to residential interiors, Love is a versatile and stylish armchair that seamlessly combines comfort, functionality, and modern lounge chairs design.

MIREILLE

MIYA armchair, a stunning modern love seat sofa that brings an air of elegance to any space. With its sleek contours and clean design, MIYA effortlessly enhances the ambiance, making it the perfect choice for those seeking both style and comfort. Whether you desire a cozy spot to relax or a chic seating arrangement for entertaining guests, MIYA's ample seating provides the perfect solution in luxury contemporary furniture.

Crafted with meticulous attention to detail, MIYA features a resilient internal frame constructed from resin, ensuring long-lasting durability and stability. The back internal frame, also made of resin, provides additional support, reinforcing the overall structure for optimal comfort, ideal for modern lounge furniture needs.

Indulge in the ultimate comfort experience with MIYA's seat cushion, which consists of shaped polyurethane of varying density and polyester fiber. This combination creates a plush and inviting seating experience, allowing you to unwind in absolute luxury. Whether you're enjoying a peaceful moment alone or engaging in lively conversations with loved ones, MIYA guarantees a seating experience that surpasses expectations in modern designer sofas.

MIYA stands firmly on sleek painted metal feet, adding a touch of modernity to its design. These sturdy feet not only provide stability but also complement the sofa's clean and contemporary aesthetic. When it comes to the cover, MIYA offers a choice of fabric and leather sofas, allowing you to personalize the sofa to match your individual style and preferences.

ENNIO

The Ennio Armchair perfectly captures modern simplicity and comfort, offering a cozy, secure seating experience that feels like a warm embrace.

Constructed with a multilayered wood panel frame and flexible polyurethane foam, Ennio ensures durability and support. Its seat cushion combines shaped polyurethane of varying densities with polyester fiber for added plushness and comfort.

Customization is central to the Ennio luxury armchair, available in fabric or leather upholstery to suit any contemporary or traditional interior. Its modular design allows for efficient space use, fitting perfectly in both public and private environments—from cozy reading nooks to larger seating arrangements.

NOBLE

Noble epitomizes luxury and modern design as a 360° swivel armchair inspired by a blossoming flower. Its gently enveloping backrest and asymmetrical armrests create a contemporary and elegant silhouette.

Offered in a wide range of customizable fabrics and leathers, Noble allows personalized color combinations for both backrest and seat, reflecting Able's commitment to fine, durable materials and refined aesthetics.

The armchair features a formal structure with a sleek metallic base enabling smooth rotation. Its minimalistic, block-like design is split into two fully upholstered components, combining ergonomic comfort with sophisticated style—perfect for both commercial and residential spaces.

MONROY

The MonRoy leather swivel armchair exemplifies a sophisticated blend of design and functionality. Its gracefully contoured shell seamlessly embraces a finely crafted wooden structure, elegantly wrapped in premium leather upholstery. This harmonious interplay between a strong framework and plush seating creates a visually captivating piece that invites relaxation.

Meticulously selected materials reflect a commitment to both durability and refinement, ensuring that each of the leather swivel chairs meets a diverse range of aesthetic and functional needs. The MonRoy's attention to detail extends beyond mere appearance; every component speaks to the quality of craftsmanship involved. Innovative techniques are employed to produce unique combinations that elevate any living space into a realm of intelligent luxury.

Featuring a sleek metallic base, the MonRoy Armchair rotates effortlessly, embodying modern sophistication. Its ergonomic design, composed of two fully upholstered sections, provides optimal comfort while maintaining a minimalist silhouette. Perfectly suited for both residential and commercial settings, it adapts seamlessly to various environments. If you are looking for elegant leather swivel office chair or leather swivel dining room chairs, The MonRoy is the perfect solution for it.

BON TON

The Bon Ton modern leather armchair exemplifies a sophisticated blend of design and functionality. Its gracefully contoured shell seamlessly embraces a finely crafted wooden structure, elegantly wrapped in luxurious leather upholstery. This harmonious interplay between a strong framework and plush seating creates a visually captivating piece that invites relaxation.

Meticulously selected materials reflect a commitment to both durability and refinement, ensuring that each modern lounge armchair meets a diverse range of aesthetic and functional needs. The Bon Ton's attention to detail extends beyond mere appearance; every component speaks to the quality of craftsmanship involved. Innovative techniques are employed to produce unique combinations that elevate any living space into a realm of intelligent luxury.

Featuring a sleek metallic base, the Bon Ton swivel base armchair rotates effortlessly, embodying modern sophistication. Its ergonomic design, composed of two fully upholstered sections, provides optimal comfort while maintaining a minimalist silhouette. Perfectly suited for both residential and commercial settings, it adapts seamlessly to various environments.

PELUCHE

The Peluche Swivel Armchair by Able is a 360° swivel masterpiece, combining modern design with luxurious upholstery in leather and fabric. Its metal structure is embedded in fireproof polyurethane foam and wrapped in breathable fiber, ensuring both softness and durability. The polished anti-touch varnished metal base in light bronze, paired with Moka-colored open-pore lacquered solid oak legs, elevates this luxury armchair's refined aesthetic. Featuring 360° swivel motion with auto-return, the chair ensures seamless flexibility and comfort, while protective black SEBS sliders preserve your flooring.

Cushions are filled with channeled goose down, certified with the Assopiuma Gold Label, and include a central insert of high-resilience polyurethane foam to maximize support. The structure and cushions feature completely removable covers, offering flexible styling in both leather and fabric options. Inspired by the refined style of the Fifties, the Pelucheswivel lounge chair modernizes vintage lines with a graceful and sophisticated silhouette.

The chair's fixed cross structure, crafted in light bronze metal and accented by Moka-shaded oak feet, exemplifies Able's skill in material harmony. This leather swivel chair showcases a commitment to authentic craftsmanship, transforming everyday comfort into artful design. A timeless accent chair for living room spaces, the Peluche reflects Able's passion for intelligent luxury and lasting elegance.

KYLIE

HAZEL

Because of its regulated proportions, the Hazel luxury armchair gives the sense of immense comfort while remaining gently discreet. On the one hand lovely soft fabric and the addition of feathers contribute to the sofa's great comfort.

The Hazel Armchair is designed in a mid-centurystyle armchair, offering a perfect blend of comfort and utility. With its lambswool cloud-like seat and two complimentary pillows, the Hazel Armchair is an ideal addition to any modern living room, providing a cozy and inviting seating option.

Crafted with balanced proportions, the Hazel Armchair exudes an enticing impression of vast comfort while maintaining a subtly soft aesthetic. The exceptional comfort of the armchair is achieved through the use of wonderfully comfortablefabric and the addition of feathers, delivering a plush and luxurious seating experience.

Built with a sturdy multilayered wood panel structure and flexible polyurethane foam, the Hazel fabric armchair is designed for durability. The seat cushion is made from shaped polyurethane of different densities and polyester fiber, ensuring optimal support and comfort for extended periods of sitting.

EDEN

The Edencontemporary armchair is a versatile and comfortable seating option that combines convenience and luxury. Designed for timeless interiors, offers both functionality and plushness, making it an ideal choice for everyday use in bedrooms, lounges, or hospitality settings.

Featuring wide bulbous shapes, the Eden is an armless lounge chair, provides maximum comfort, allowing you to relax and unwind in style. Its sleek and minimalist design makes it a perfect fit for hotel furniture projects, particularly in hotel halls and beside a bed, adding a touch of elegance to any space.

The leg of the Eden armchair is crafted from processed wood, providing durability and strength. Furthermore, it offers the option for customization in various finishes, allowing you to personalize the armchair to match your desired aesthetic.

CLAYTON

The Clayton armchair, a compact and cozy big lounge chair that brings comfort and sophistication to any space. With its plush cushions and sleek design, the Clayton armchair offers a comfortable and stylish seating solution for both residential and commercial projects.

Crafted as part of the Able collection by Riccardo Giovanetti, the Clayton armchair leather showcases exceptional quality and attention to detail. The internal frame is made of durable tubular steel and steel profiles, ensuring stability and longevity. The backrest features flexible cold-shaped polyurethane foam and polyester fiber, providing optimal support and comfort.

The seat cushion is made of shaped polyurethane of different densities and polyester fiber, offering a plush and inviting seating experience. The upholstery is available in a choice of leather or fabric coverings, allowing you to customize the Clayton armchair to suit the style and ambiance of your space.

AMELIE

Experience the epitome of comfort and luxury with the Amelie leather armchair. Designed to provide an imperial-level cozy experience, this armchair envelops you in a sense of tranquility and relaxation. When paired with its detachable puff, it creates the perfect oasis for unwinding and indulging in your dreams.

The pair of Amelie chair and puff boast a sturdy structure, crafted with a multilayered wood panel and flexible polyurethane foam. This combination ensures durability and stability, allowing you to enjoy this luxury armchair for years to come. The internal frame, constructed with tubular steel and steel profiles, provides additional support and strength.

Sink into the plush seat cushion, made from shaped polyurethane of varying densities and polyester fiber. This combination offers optimal comfort and support, allowing you to lounge in utmost relaxation.

ALLISON

Experience the perfect balance of elegance and versatility with the Allison armchair. This comfortable armchair is suitable for both formal settings and the comfort of a home living room or office space.

Crafted with a solid wood frame and veneered multilayered wood panel, the Allison armchair exhibits exceptional durability and strength. Its sturdy structure ensures long-lasting performance, allowing you to enjoy its comfort for years to come.

The internal frame of the Allison armchair features flexible cold-shaped polyurethane foam and polyester fiber, providing optimal support and comfort. Sink into the plush cushioning and feel the stress melt away as you relax in this comfortablelounge chair.

Choose between fabric or leather upholstery to suit your personal style and preference. Both options offer a touch of sophistication, elevating the aesthetic of any space.

NEVOLA

This sculptural armchair brings a sense of modern refinement with its rounded silhouette and inviting proportions. The tactile boucle backrest contrasts beautifully with the smooth, leather-like seat, creating a dialogue between softness and structure. Designed with contemporary elegance in mind, it offers both comfort and a statement presence in any living space. Its enveloping form adds a touch of intimacy, making it perfect for refined lounge settings or stylish reading corners.

NOY

With a design that feels both inviting and elevated, Noy Armchair captures the essence of contemporary luxury. Wrapped in supple leather, its surface offers a tactile depth that speaks to refined craftsmanship. The softly draped backrest contrasts beautifully with its sculptural curves, balancing relaxed comfort with architectural presence. Its rounded form creates an intimate seating experience, while still embodying a sese of modern sophistication. More than just a functional piece, it brings an aura of quite elegance that seamlessly elevates any interior setting.

ARTIK

Defined by its playful curves and tailored upholstery, this armchair brings warmth and modern personality to the room. The textured fabric enhances its rounded form, giving depth and character while remaining versatile within various design schemes. Its compact shape allows it to blend seamlessly into both intimate corners and open-plan spaces. Expressive yet understated, this piece reflects a refined balance of comfort and design.

LADY

With its refined contours and subtle craftsmanship, this armchair exemplifies modern sophistication. The smooth leather upholstery, paired with sleek metal framing, creates a striking interplay of softness and structure. Gently rounded lines offer comfort without compromising its contemporary poise. Ideal for refined living spaces, it brings understated luxury and timeless elegance to the interior.

KENT

With its sleek lines and generous cushioning, this armchair embodies understated luxury and effortless comfort. The supple leather-like upholstery is tailored with precision, enhancing the chair's minimal yet inviting form. Slightly reclined for relaxation, it offers a balance of modern sophistication and everyday ease. Its clean silhouette and plush seat make it a versatile piece, seamlessly fitting into contemporary interiors with a calm, curated atmosphere.

Clean lines, refined surfaces—crafted to anchor the room, not just decorate it.

GALLA

The Galla set by Able, designed by Able Design Studio, is an essential furnishing accessory that adds the perfect finishing touch to any room in your house, office, or hospitality areas. Whether you prefer a small and discreet option or a large and imposing designer coffee table, the Galla set is designed to suit your needs.

Featuring an abstract shape, the Galla set stands out as a contemporary and stylish addition to your space. The structure is made of metal, providing sturdy support and durability. The metallic finish adds a touch of sophistication to the overall design. The table top is crafted from solid surface material, ensuring a sleek and seamless surface, ideal for luxury coffee tables.

Able specializes in customized and bespoke furniture, offering a wide range of materials to choose from. Whether it's metal, composite materials, acrylic stone, or solid surface materials, you have the freedom to select the perfect combination that suits your preferences. This level of customization allows you to create a bespoke coffee table or custom made coffee tables that truly reflect your personal style and become a standout piece in your space.

Abe

ADORE FORMA

Adore Forma by Able redefines coffee table design with abstract shapes that break away from convention. This modern collection highlights varied finishes, showcasing curves, edges, and reflective surfaces that catch light beautifully from every angle.

Inspired by the timeless elegance of marble, Adore Forma offers accent tables in diverse shapes and sizes. Each features unique tabletops supported by solid brushed oak legs with painted finishes, enhanced by bronzed metal caps and plates for a sophisticated touch. The wide range of tabletop materials includes marble, tempered glass, ceramics, HPL, MDF, wood, and metal, all customizable to suit your style. Crafted with meticulous care in Able's own factories, these designer coffee tables blend bold personality with refined craftsmanship—perfect for living rooms or commercial spaces seeking contemporary sophistication.

SPARKS

The Sparks round coffee table by Able combines modern design and easy chic to create a statement piece that seamlessly blends with any decor. With a black-tinted glass coffee table top and a sleek circular design, this table exudes contemporary style and sophistication.

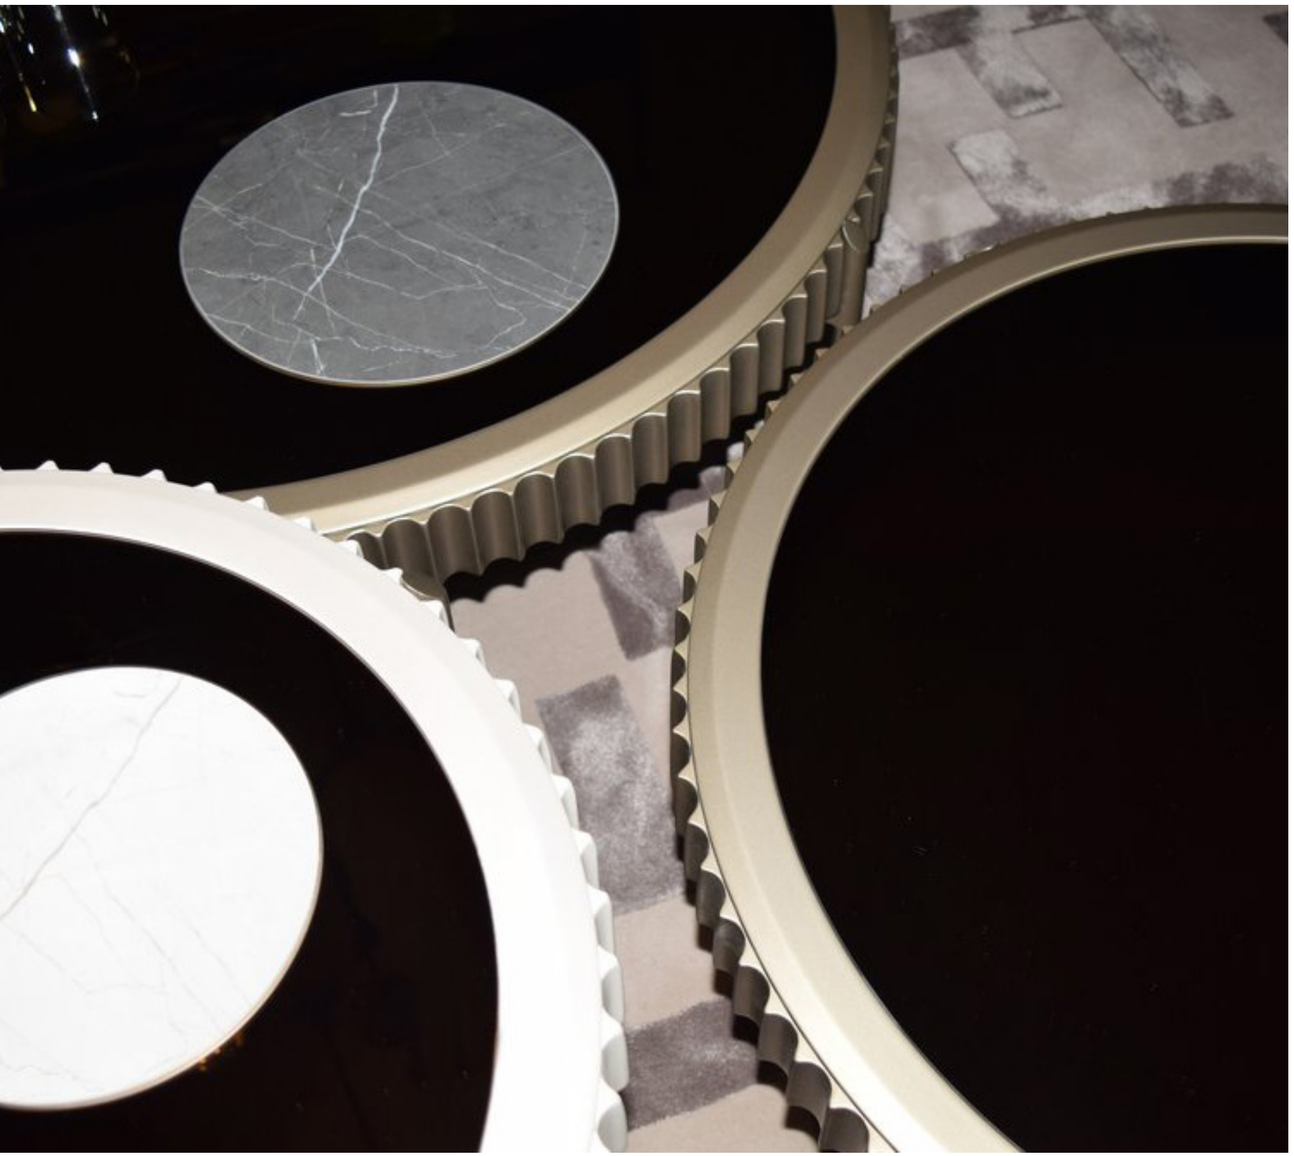

Crafted with precision and attention to detail, the Sparks designer coffee table features a sturdy MDF structure and metallic legs for stability and durability. The table top is a blend of tempered glass and circular ceramic, creating a unique and visually appealing surface.

Able specializes in customized and bespoke furniture, offering a wide range of high-quality materials to choose from. Whether it's tempered glass, marble, ceramics, HPL, MDF, wood, metal, or various painting solutions, you have the freedom to select the perfect combination that suits your preferences. This level of customization allows you to create modern coffee tables that truly reflect your personal style and become a signature piece in your space.

VICTOR

Able, a leading provider of furnishing solutions for public buildings, offers a range of furniture including tables and chairs, modern coffee tables, and lounge tables. Their latest addition is the Victor collection, which presents islands of luxury in contemporary style. These elegant pieces feature a combination of gold and black coffee table designs, exuding a sense of sophistication and refinement.

The Victor designer coffee table models are available in three sizes, each showcasing a curved design inspired by mid-century elegance. The structure is made of MDF fiber wood, ensuring durability and stability. The top is crafted from high-quality tempered glass in a sleek black finish, adding a touch of modernity to the overall design. The drawers can be customized with either a painted or upholstered finish, providing versatility and personalization options.

With a lacquered MDF fiber wood finish, the Victor luxury coffee tables emanate a timeless appeal that seamlessly blends into any interior setting. The tall size measures 70cm in width, 70cm in depth, and 36cm in height, while the short size measures 100cm in width, 100cm in depth, and 18cm in height. These dimensions make them suitable for various spaces, whether it's a living room, lounge area, or public space.

BISOUS

Bisous from Able is an exquisite oval coffee table that combines the natural beauty of wood with the solid elegance of marble coffee table design. The juxtaposition of the wooden base and the sturdy marble material creates a visually pleasing contrast that adds a touch of sophistication to any space. These modern coffee tables are thoughtfully designed with seemingly asymmetrical elements that seamlessly come together in a harmonious arrangement, creating both aesthetic appeal and practical functionality.

Crafted with solid stone tabletops and graceful wooden legs, these wood coffee tables are perfect for interiors that seek to achieve an organic and captivating design. Drawing inspiration from the captivating imperfections found in nature, Able's coffee tables offer a fascinating blend of colors, shapes, and materials.

One of Able's standout pieces is the Bisous designer coffee table, featuring a matt lacquered wooden base in their signature Bronzoro finish. The table accommodates three stunning marble or wooden tops of varying sizes.

HENA

Hena by Able, designed by Able Design Studio, embraces the use of natural materials such as marble, stone, and wood. The metal structure of Hena is both sculptural and modest, providing a visually appealing foundation. The table top options include ceramic, glass, and marble, allowing you to choose the perfect surface for your needs — ideal for a luxury coffee table or modern side table.

Able specializes in customized and bespoke furniture, offering a wide range of materials to choose from. Whether it's metal, composite materials, acrylic stone, or solid surface materials, you have the freedom to select the perfect combination that suits your preferences. With Hena, you can create custom coffee tables and designer side tables that seamlessly blend into your space, enhancing the overall aesthetic.

The focus on natural materials and the meticulous craftsmanship ensures that each piece is crafted with utmost care and attention to detail. Able's in-house factories enable them to maintain strict quality control, resulting in high-quality products that stand the test of time.

SOFIA

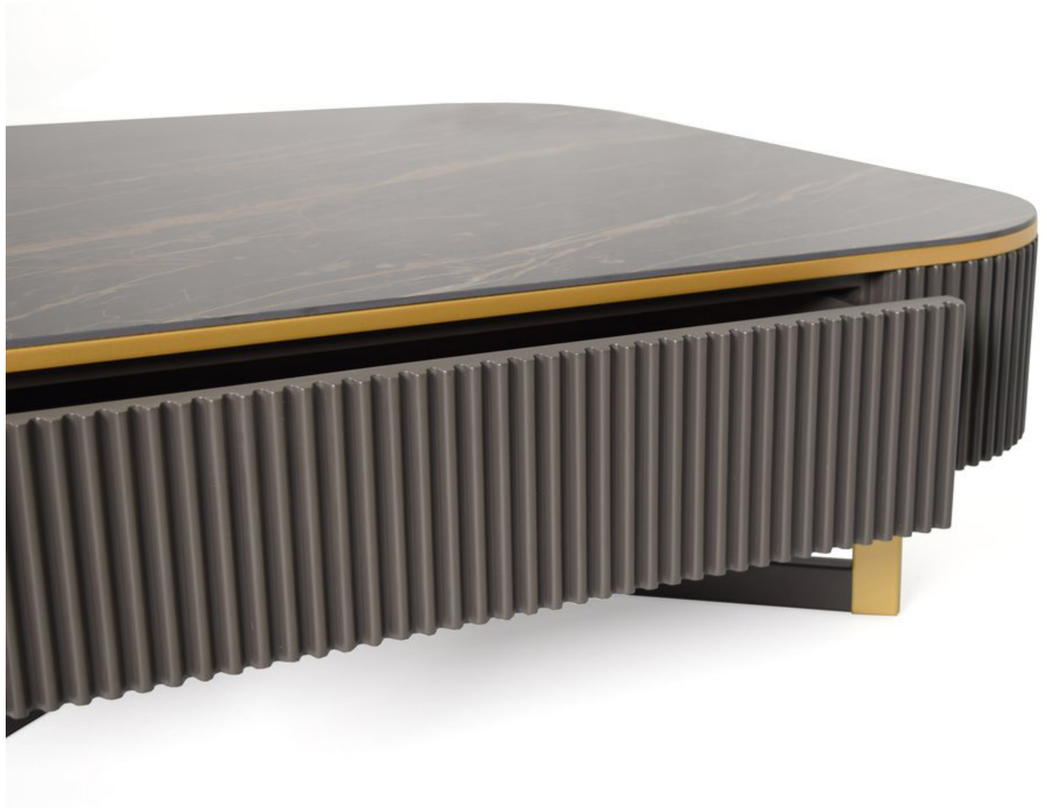

Sofia, crafted with precision and elegance, surpasses the ordinary luxury coffee tables with its diaphanous design. This exquisite piece by Able combines opulence with refined restraint, making it a true embodiment of tastefulness.

Constructed with MDF fiber wood, Sofia boasts a solid structure with options for a ceramic or marble coffee table top. The drawers can be customized with either a painted or upholstered finish, adding a touch of personalization.

The entire piece is finished with lacquered MDF fiber wood, enhancing its allure.

Sofia is not just an ordinary designer coffee table; it is a low MDF table with a marble top and ample storage space, functioning as a perfect storage coffee table solution. Its meticulous craftsmanship sets it apart from the rest, showcasing the expertise and attention to detail that Able is known for. With its lavish yet understated design, Sofia adds a touch of sophistication to any space.

PLUTO

The Pluto coffee table by Able showcases a captivating blend of exquisite materials and organic design elements. Its top features a stunning combination of marble coffee table with a bush-hammered finish, capturing the timeless beauty of the material. The base of the table embraces elegant curves and is entirely enveloped in luxurious leather.

Crafted with a wood structure and a resin base, the Pluto designer coffee table offers a perfect balance of stability and aesthetics. The top is finished with a mix of MDF and marble, adding a touch of sophistication to any space.

Whether you're looking for a garden coffee table or an outdoor coffee table, Pluto fits the bill. Its contemporary style and durable construction make it suitable for both indoor and outdoor use. Made from synthetic materials, it ensures longevity and easy maintenance, perfect for outdoor settings.

COSMOS

COSMOS by Able is a resin coffee table designed for the living room. With its versatile design and Solid Surface coffee table top, it draws inspiration from the elegant hourglass figure. This coffee table is not limited to just the living room; it can also be used in the bedroom or bathroom, offering a wide range of applications to meet various needs.

Crafted with a resin structure and a metallic finish, COSMOS exudes a contemporary coffee table style that complements any space. The table top options include Solid Surface or resin, allowing you to choose the perfect surface material that suits your preferences.

One of the key features of COSMOS is its lightweight design, making it suitable for both indoor and outdoor use. Whether you need a garden side table or an outdoor coffee table, COSMOS fits the bill. Its synthetic materials ensure durability and easy maintenance, perfect for any outdoor setting.

ROYA

Roya, an exceptional burnished metal coffee table, showcases a naturally spotted and irregular appearance. Each piece of metal undergoes a meticulous artisanal process, resulting in a one-of-a-kind and exclusive product.

The structure of Roya coffee table is composed of sturdy metal, providing durability and longevity. Its metallic finish adds a touch of sophistication to any space, making it a perfect addition to contemporary interiors. The table top is crafted from solid surface material, ensuring a smooth and sleek surface.

Able specializes in creating fully customized and bespoke furniture, with all manufacturing processes taking place in their in-house factories. This commitment to quality guarantees that each piece is crafted with meticulous attention to detail.

EDGY

Edgy coffee tables by Able are the epitome of contemporary coffee table style and versatility. With their lively personality and asymmetrical design, these modern coffee tables exude a sense of individuality and add a touch of edginess to any space. Whether used indoors or outdoors, they are the perfect addition to your living room or garden.

Crafted with a resin structure and a solid surface coffee table top, Edgy coffee tables are available in two sizes, allowing you to choose the one that best fits your space. The metallic finish adds a modern and sleek touch to the overall design.

Able specializes in entirely customized and bespoke products, ensuring that each piece is crafted with utmost care and attention to detail. With in-house factories, they offer a wide collection of high-quality materials including tempered glass, marble, ceramics, HPL, MDF, wood, metal, and various painting solutions.

MARSIE

The Marsie coffee table brings a lustrous and radiant touch to any luxury indoor or outdoor space with its lightweight resin coffee table structure and hourglass figure. This stunning modern coffee table showcases the pride in craftsmanship, combining raw materials to create a simple elegance with detailed profiles. From the bottle-shaped bases to the luxurious tabletops, the Marsie coffee table exudes sophistication.

With its unique design, the Marsie coffee table is even more impressive when combined as a coffee table set with the larger and smaller pieces. This set truly complements and fills the area, creating a cohesive and harmonious atmosphere.

The Marsie coffee table is made of durable resin and is available in several striking finishes. Choose from options such as HPL coffee table, marble coffee table, or ceramic top coffee table for the top finish, allowing you to customize the table to suit your preferences and style.

AVA

Designed to resemble a captivating jewel-sculpture, the Ava coffee table brings a lustrous and radiant touch to any interior space. Its brushed metal coffee table and marble coffee table contrasting appearance adds a touch of elegance and sophistication to any setting.

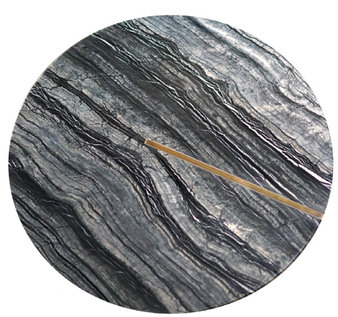

With its high-quality materials and exquisite features, the Ava luxury coffee table is the perfect accent piece for any room. Whether placed opposite couches and armchairs or used as nightstands, it effortlessly enhances the overall aesthetic of the space. The steel coffee table construction comes in a matt burnished finish, which adds a touch of warmth and richness. You can also choose from a variety of marble top coffee table options for the tabletop, allowing you to personalize the look to suit your taste and style.

The Ava coffee table is part of a pure and simple collection that translates the finest design traditions into a modern coffee table tone. It is designed to seamlessly complement other products from Able, whether it's for corporate, hospitality, or private residences. By incorporating the Ava coffee table into your interior design, you can create a cohesive and harmonious atmosphere that reflects your impeccable taste.

NOBU

Designed to resemble a captivating jewel-sculpture, the Nobu coffee table brings a lustrous and radiant touch to any interior space. Its metallic coffee table glints catch the eye and add a vibrant element to the room.

Crafted entirely from a single sheet of polished stainless steel coffee table, the structure of the Nobu coffee table is expertly bent to form two "C" shapes facing each other.

This unique design offers two semi-circular tops positioned at different levels, creating an intriguing visual effect.

The Nobu luxury coffee table, much like a limited edition artwork, is available in only one size. It is offered in several striking varnished finishes, Black-Nickel coffee table or Gold coffee table, which further enhance the allure of the metal sheet.

CAMPIONI

The Campioni coffee table by Able is a design that draws inspiration from trophy presentation podiums. Each platform in this designer coffee table is intricately connected, symbolizing the journey and interdependence of its three platforms. While the tallest platform represents the pinnacle of achievement, it owes its success to the support, competition, and integrity of its fellow platforms.

Designed by Antonio Chiloiro, the Campioni coffee table showcases a thoughtful blend of craftsmanship and raw materials. The combination of different heights and profiles creates a visually striking luxury coffee table that exudes elegance. The tabletop, made of ceramic, features a sand tones finish that adds a touch of warmth and sophistication. The metal bases, with their metallic finish, beautifully highlight the connection between the three platforms.

BLISS

The BLISS coffee table by Able is a stunning resin coffee table that exudes sophistication and elegance. With its column foot and exquisite paint features, this modern coffee table is designed to provide a sophisticated appeal to any space it graces. Available in two sizes, you can choose the perfect fit for your needs.

Crafted with meticulous attention to detail, the BLISS coffee table showcases a design that brings pride in handcrafted furniture. It combines a mixture of raw materials to create a simple elegance, from the uniquely shaped bases to the luxurious tabletops. The detailed profiles of this luxury coffee table add a touch of refinement to its overall aesthetic.

As with all products from Able, the BLISS coffee table seamlessly complements other Able pieces. Whether for corporate, hospitality, or private residences, incorporating this exquisite living room coffee table into your design creates a cohesive and harmonious atmosphere. Experience the impeccable craftsmanship and sophistication that Able is renowned for.

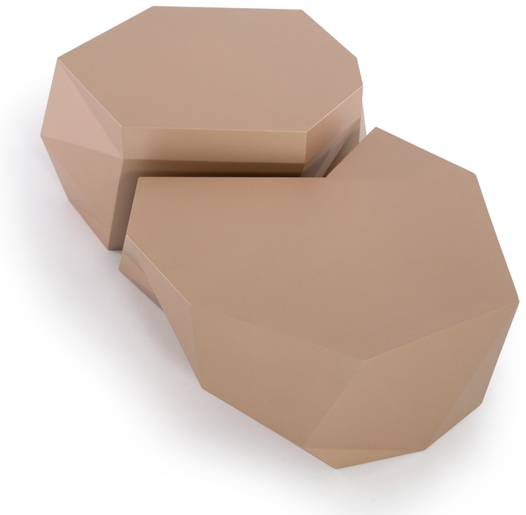

PRISM

The Prism coffee table set by Able is a charming addition to any living space. Its architectural lines create a captivating play of light, showcasing its beauty throughout the day and night. The split halves of this modern coffee table allow for seamless integration with various luxury sofas, making it versatile for different settings.

Crafted with pride in handcrafted furniture, the Prism coffee table set combines a mixture of raw materials to achieve a simple yet elegant design. From the uniquely shaped bases to the luxurious tabletops, every detail is meticulously crafted to create a sense of sophistication.

Designed to seamlessly complement other Able products, the Prism coffee table set is a perfect addition to bespoke furniture collections for private residences, hospitality, or corporate spaces.

BRIA

The Bria coffee table by Able offers a chic, modern coffee table design that brings sophistication to any space. This customizable coffee table allows you to tailor each detail to perfectly align with your interior.

The Bria coffee table showcases handcrafted furniture excellence, blending the finest raw materials and premium leather. From its elegant hourglass-shaped bases to its luxurious tabletops, every element is designed to embody simple elegance and timeless style.

Like all Able pieces, the Bria coffee table seamlessly complements other bespoke furniture from the collection. Whether for hospitality spaces, corporate offices, or private residences, this exquisite coffee table enhances your decor with a cohesive and refined atmosphere.

GRAND

The Grand brass coffee table by Able exudes elegance and sophistication with its stunning combination of marble and brushed metal. The tabletop is supported by metallic legs, featuring geometric forms and clean lines that add a touch of modernity to its overall design.

Crafted with meticulous attention to detail, the Grand geometric coffee table showcases the pride in craftsmanship that Able is known for. The use of raw materials such as brass, marble, and brushed metal creates a harmonious blend, resulting in a simple yet refined aesthetic.

Like all Able coffee table products, the Grand is designed to seamlessly complement other pieces from the Able collection. Whether it is for a hospitality environment, a private residence, or a corporate coffee table setting, this coffee table effortlessly integrates into various design schemes, creating a cohesive and harmonious atmosphere.

MON

The Mon Set Coffee/Accent Table by Able embodies the essence of a metal coffee table with its sleek and contemporary design. Designed with mobility and practicality in mind, this versatile table can be utilized in various ways to suit your needs.

Constructed with a sturdy metal structure and featuring a ceramic top coffee table or marble top coffee table, the Mon coffee table showcases a combination of raw materials that exude a simple elegance. The pride in craftsmanship is evident in every detail of its design.

Not only does the Mon coffee table serve as a stylish centerpiece in your living space, but it can also be used as a nightstand, offering functionality and versatility. Its lightweight construction makes it easy to move around, allowing you to adapt and rearrange your space effortlessly.

AURA

The Aura coffee table by Able is a truly remarkable piece that effortlessly blends into any living space, combining refined simplicity with a captivating aesthetic. Crafted with a fiberglass and resin structure, this unique coffee table boasts a form that resembles a tree of life, thanks to its intricate engravings. Its durable resin structure makes it suitable for both indoor and outdoor use, ensuring its longevity and versatility.

Handmade with meticulous attention to detail, the Aura coffee table set includes two tables – a shorter, wider table perfect for accommodating larger objects, and a decorative smaller unit that complements the overall design. The brushed metallic finish adds a touch of sophistication and elegance to the tables, elevating the overall aesthetic.

SOL

The Sol Side Table by Able adds a touch of playfulness and charm to any living area, creating a spot-on difference in your space. Made with a fiberglass and resin structure, this resin coffee table is not only visually appealing but also durable, making it suitable for both indoor and outdoor use. The brushed metallic finish adds a sleek and sophisticated touch to the table, elevating its overall aesthetic.

Handmade with utmost care and attention to detail, the Sol resin side table showcases the pride in craftsmanship that Able is known for. The combination of raw materials used in its design cultivates a modern elegance that seamlessly blends with various décor styles.

As with all Able products, the Sol Side Table is designed to complement other pieces from the Able collection, making it a versatile choice for corporate, hospitality, or private residences.

DEA

The Dea small round coffee table created by Able, brings a touch of elegance and sophistication to any living area, making a distinct statement in your space. Crafted with a fiberglass and resin structure, this coffee table boasts durability and longevity, allowing it to be used both indoors and outdoors. Its brushed metallic paint finish adds a refined and polished look, elevating the overall aesthetic of the table.

Dea enables multi functional enjoyment. Its elegant, timeless and curved design renders it unique since it appears differently in multiple angles. Meticulously handmade, the Dea handmade coffee table showcases Able's commitment to exceptional craftsmanship. The combination of premium materials and meticulous attention to detail results in a contemporary yet timeless design that seamlessly blends with various interior styles.

AMELIA

The Amelia Coffee Table brings a touch of sophistication and elegance to any living area, making a unique statement in your space. Crafted with a durable fiberglass and resin structure, this luxury coffee table is built to last and can be used both indoors and outdoors. Its brushed metallic paint finish adds a refined and polished touch, enhancing the overall aesthetic of the table.

The Amelia Coffee Tables offer a multi-functional experience, thanks to its timeless and curved design that appears different from various angles. Each piece is meticulously handmade, showcasing Amelia's commitment to exceptional craftsmanship. The combination of high-quality materials and meticulous attention to detail results in a contemporary yet timeless designer coffee table design that seamlessly blends with different interior styles.

Like all Amelia products, the Amelia luxury modern coffee table is designed to perfectly complement other pieces in the Amelia collection, making it a versatile choice for corporate, hospitality, or private residences. Incorporating this exquisite coffee table into your indoor design allows you to create a cohesive and harmonious atmosphere that reflects Amelia's renowned craftsmanship and sophistication.

VALENTINE

Valentine, from Able, is a coffee table series that exudes an informal and versatile style, making it the perfect choice for personalizing any room. The structure is made of wooden MDF, available in various wooden finishes or painted in a matte lacquer. The top is made of luxurious marble, adding a touch of elegance to the overall design, making it a standout round wood coffee table

This collection features solid units and classic lines, combined with impeccable finishes and covers that reflect your personal style. The coffee table marble has a painted metal structure available in white, bronze, or a selection of 31 matte colors. The top comes in 32 matte lacquered colors, 16 glossy lacquered colors, or luxury marble finishes such as white carrara, petit granit, emperador, or calacatta oro.

The Valentine walnut coffee table stands out with its wood base profile, providing ample space for gatherings and adding character and identity with two-tone finishes on the tabletop. It can be used independently as a modern round coffee table or overlapped on the sofa to offer practicality in holding objects.

LAYLA

Layla, from Able, is a coffee table marble top series that embodies a casual and versatile style, offering endless possibilities for personalizing any space. Crafted with a wooden MDF structure, Layla is available in a range of wood finishes or painted in a smooth matte lacquer. The distinguishing feature of Layla is its rectangular-shaped marble surface, which adds a touch of elegance and sophistication to its overall design.

This collection showcases sturdy units and timeless lines, combined with impeccable finishes and coverings that reflect your individual taste. The square coffee table boasts a painted metal frame, available in white, bronze, or a selection of 31 matte colors. The top is offered in 32 matte lacquered colors, 16 glossy lacquered colors, or a choice of marble finishes, such as white carrara, petit granit, emperador, or calacatta oro.

LOWTIDE

The Lowtide marble wood coffee table by Able is characterised by its strong personality, defined by the impressive oval legs that support the table top. With a lower height profile, the Lowtide features a customizable marble top available in a variety of finishes, seamlessly combined with painted oak wood legs.

Adding a unique design element, the marble top coffee table includes an integrated metallic strip that accentuates the clever juxtaposition of materials. Able's meticulous attention to detail and commitment to elegant design is evident in the harmonious arrangement of these different elements, creating both aesthetic appeal and practical functionality.

Able offers a wide range of customization options, including a variety of metal finishes in their signature Ica colors, allowing you to tailor the rectangular coffee table wood to your specific preferences. Similar to other collections, Able's Lowtide table features a fascinating blend of colors, shapes, and materials.

DOMINIC

Dominic, a modern side table by Able, redefines conventional design with its unique two-level platform of varying sizes. Its practicality is matched by its exceptional craftsmanship, making it a standout piece in any space.

The technical details of the Dominic round wood side table include a customizable MDF structure, available in a diverse range of colors and finishes, allowing for personalization and versatility. The lacquered MDF fiber wood finish adds a touch of elegance and sophistication to the table, ensuring it seamlessly integrates with any interior design.

The Dominic wood round accent table foundation of Dominic is formed by the MDF fiber wood structure, which is carefully crafted to provide stability and durability. The different levels of the table offer ample space for displaying decorative items, books, or any other essentials, making it a practical addition to any room.

PARK

Park by Able is a captivating collection of modern coffee tables that combines practicality and versatility. These slide under sofa tables are designed to slide underneath sofas and armchairs, providing an additional function and transforming your seating area. This unique feature reflects Able's commitment to innovation and practicality.

The small coffee tables in the Park collection are made from customizable lacquered MDF wood furniture, available in a range of colors and finishes. This allows you to personalize the tables to match your individual style and interior design preferences. The tables are built with a solid foundation on all sides, ensuring stability and durability. This makes them suitable for a variety of settings, including hotel room furniture, hospitality venues, and private residences.

FLOYD

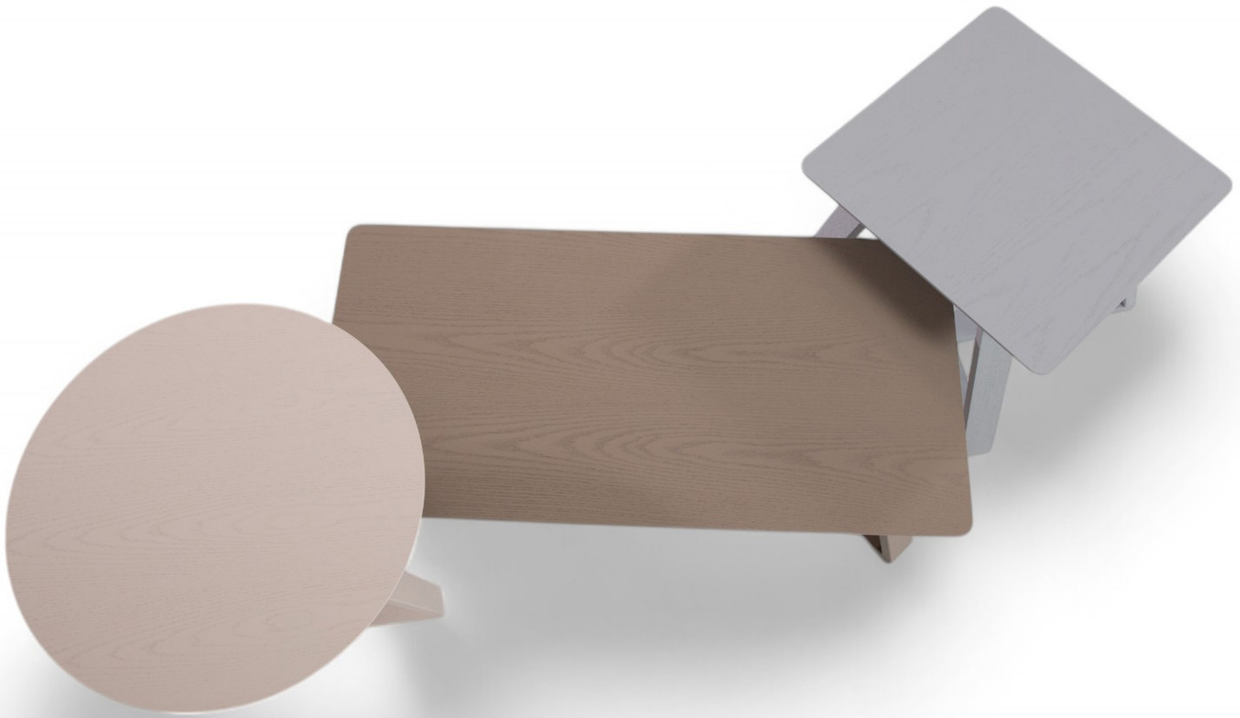

Floyd, a remarkable collection of coffee tables by Able, exudes a sense of elegance and sophistication. Featuring unique rectangular and rounded designs, Floyd stands out with its distinctive cross base that showcases a captivating void in the middle. Crafted with meticulous attention to detail, this collection is a true testament to Able's commitment to excellence.

One of the defining features of Floyd coffee table and side table set is its customizable lacquered MDF fiber wood, which is available in a wide range of colors and finishes. This allows you to personalize the table to suit your individual style and interior design aesthetic. The solid foundation provided by all sides of the table ensures its durability and stability, making it a practical choice for both corporate and residential settings.

SPLASH

The Splash metal coffee table set by Able is a stunning representation of splashing water droplets, creating a visually captivating and dynamic design. Each trio of tables is asymmetric furniture, yet when observed closely, they beautifully complement one another. The finishes and metallic finishes on the legs are fully customizable, offering you the opportunity to unleash your creativity and experiment with a wide range of colors and shapes.

Able specializes in the creation of entirely customized and bespoke designer furniture, with all manufacturing processes taking place in-house. This commitment to quality ensures that each piece is crafted with the utmost care and attention to detail. Able offers an extensive collection of premium materials, including tempered glass, marble, ceramics, HPL, MDF, wood, metal, and various painting solutions.

SOUL

The Soul marble coffee table by Able is characterised by its impressive 8 cm thick top, which hosts a built-in tray. Available in a choice of materials, the table top can be crafted from either oak wood in a matte lacquer finish or Dark Brown stained teak wood in a matte polyester lacquer finish, both combined with Ica painted metallic tray in a matte polyester finish.

Alternatively, the luxury coffee table can feature a variety of marble tops with a lowered metal tray in matching finish, matching the legs. The edge of the tray protrudes 15 mm from the table top, creating a unique visual element.

Able's meticulous attention to detail and commitment to elegant design for this marble and wood coffee table is evident in the clever juxtaposition of materials and their harmonious combination, a result of the research done by the Brazilian design studio in collaboration with Minotti's expertise.

ARC

A testament to Able's commitment to sculptural design and architectural form, the Arc coffee table embodies a harmonious balance of boldness and softness. Its generous proportions and gentle, rounded edges exude a grounded yet inviting presence, making it a refined focal point in both residential and hospitality settings.

Crafted from high-performance resin and fiberglass, the Arc coffee table's monolithic silhouette is distinguished by its smooth curvature and solid, rounded legs. The tactile finish highlights the inherent beauty of the materials while ensuring durability and lasting appeal.

Rooted in the belief that simplicity, when executed with precision and craftsmanship, becomes timeless, the Arc collection integrates effortlessly with other Able designs. It offers versatility and understated elegance to any contemporary space.

MARTHA

Martha embodies a refined balance of sculptural presence and understated elegance. Its sleek marble-effect top, veined with soft organic patterns, introduces a sense of timeless sophistication while remaining resolutely contemporary. Anchored by four gently rounded corner supports in a smooth leather-like finish, the piece reveals a striking contrast between tactile warmth and polished coolness. With its minimalist form and harmonious proportions, this table serves not only as a functional centerpiece but also as a subtle work of art, elevating the atmosphere of any modern interior.

Even in the smallest details—like the shaping of a pouf—our hands preserve what machines cannot: the human touch.

GIANNA

The Gianna Pouf is a testament to timeless elegance and exquisite craftsmanship, embodying the essence of refined luxury. Crafted with meticulous care and attention to detail, this stunning pouf elevates the aesthetics of any space while reflecting the quality and lifestyle you embrace.

The Gianna Pouf features an internal frame that combines wood, tubular steel, and steel profiles, ensuring durability and stability. The frame is crafted with wood, flexible cold-shaped polyurethane foam, and polyester fiber, providing optimal comfort and support. The seat cushion, made from shaped polyurethane of varying density and polyester fiber, offers a luxurious seating experience.

Adding to its allure, the Gianna pouf stands on sleek painted metal legs that not only provide stability but also complement its elegant aesthetic. With the option to choose fabric or leather upholstery, you have the freedom to customize this designer pouf to suit your personal style and preferences.

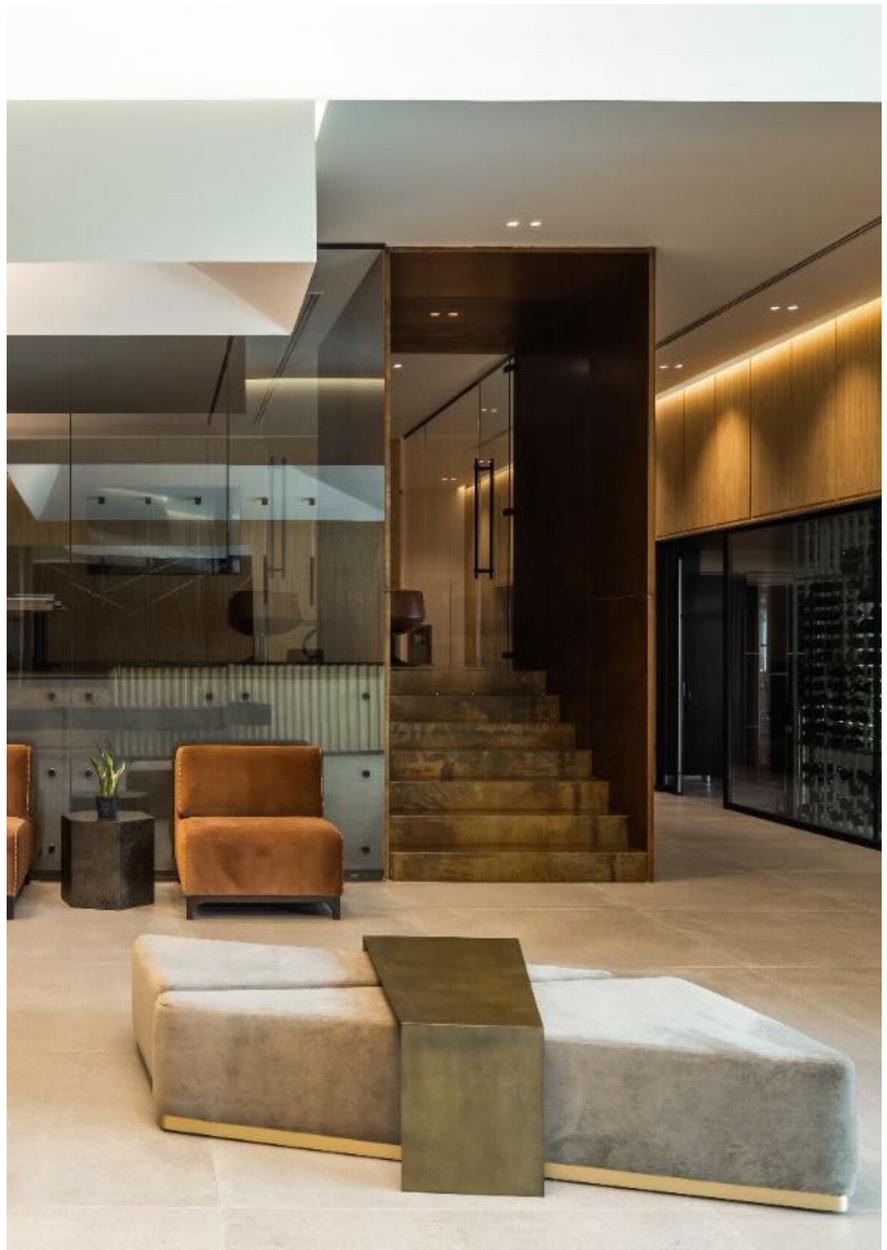

ENID

Enid leather pouf, a contemporary and minimalistic furniture piece from Able, embodies a unique and versatile design that is well-suited for a wide range of settings. Composed of two triangle poufs, Enid is accentuated by a sleek metal coffee table placed on top, adding a touch of elegance to its overall aesthetic.

Crafted with precision and attention to detail, Enid triangle pouf features a multilayered wood panel upper structure, which can be paired with either a wood or metal lower base, allowing for customization to suit individual preferences. The cushion is made of shaped polyurethane with varying densities, providing optimal comfort and support. The upholstery options include a selection of high-quality fabrics or luxurious leather, ensuring both style and durability.

MAXIME

Maxime Pouf, part of the Donatello Collection by Able, exudes an air of sophistication with its exquisite tufted craftsmanship, vintage charm, and iconic appeal. Maxime ottoman leather pouf effortlessly blends tradition with contemporary design, adding a touch of elegance to any space while providing a stylish seating option whenever needed. It is the perfect addition to your favorite corner in the living room or even a sophisticated accent in your wardrobe area.

Handmade by our skilled craftsmen, Maxime tufted Pouf showcases the culmination of Able's 30 years of dedicated expertise in the realm of upholstery. The structure features a multilayered wood panel upper, complemented by a choice of a wood or metal lower base. The cushion is meticulously crafted with shaped polyurethane of varying density, ensuring optimal comfort and support. The upholstery options include a wide selection of high-quality fabrics or luxurious leather, allowing you to customize this piece to suit your personal preferences.

MANUEL

Introducing Manuel poufs collection by Able, a remarkable example of the fusion between the ruggedness of wood and the plush comfort of upholstery. This exquisite pouf showcases a captivating contrast that accentuates its distinctive shape, offering both visual appeal and unrivaled coziness. Manuel finds its rightful place in various settings, including bedrooms, living rooms, and commercial areas, where it effortlessly adds a touch of sophistication and allure.

Featuring a unique zigzag sewing pattern, Manuel modern poufs stand out as a true testament to Able's commitment to innovative design. The structure boasts a multilayered wood panel upper, complemented by a choice of a wood or metal lower base. The cushion is meticulously crafted with shaped polyurethane of different densities and polyester fiber, ensuring optimal comfort and support. The upholstery options include a diverse range of high-quality fabrics or luxurious leather, allowing you to personalize the pouf seating to suit your individual style and preferences.

ATHENS

The Athene Pouf by Able is a beautifully rounded piece of furniture that brings both style and comfort to any space. Its unique design features outer horizontal stitching lines, showcasing the signature geometric embroidery that sets it apart. Whether upholstered in your choice of premium fabric or luxury leather, the Athene Pouf exudes elegance and sophistication.

The base of the Athene pouf seat is supported by four metal legs, available in a range of metallic finishes. This adds a touch of modern design and versatility to the vintage-inspired silhouette, allowing it to seamlessly blend into any interior decor style.

Constructed with a multilayered wood panel upper and a sturdy wood or metal lower base, the Athene Pouf ensures durability and stability. The cushions are made with shaped polyurethane of varying densities, offering optimal comfort and support, complemented by a layer of polyester fiber.

PHUKET

Phuket contemporary pouf, by Able, effortlessly combines the elements of lightness, sleekness, and comfort to create a truly exceptional piece of modern furniture. Its lightweight aluminum frame introduces a contemporary edge, while the plush double-padded seating area exudes luxury and relaxation. The addition of handmade leather straps enhances the design with a warm, tactile contrast, resulting in a perfect blend of vintage and modern aesthetics.

Crafted with precision and care, Phuket features a structure made of multilayered wood panels on the upper section, paired with either a wood or metal base for tailored support. The pouf seat cushion incorporates shaped polyurethane of varying densities along with polyester fiber, delivering optimal ergonomic comfort. Upholstery options include a wide selection of premium fabrics and luxury leathers, allowing customization to suit any interior style.

ADORE

The Adore comfortable pouf is a stunning and versatile designer furniture piece that effortlessly merges contemporary style with artistic inspiration. Defined by its bold graphic silhouette and intricate matelassé stitching, this pouf creates a captivating interplay of light and shadow, resulting in a quilted cross-padding effect that adds rich visual texture to any interior space.

Designed for both comfort and compactness, the Adore Pouf is ideal for relaxation zones as well as elegant formal settings. Its flexible and dynamic structure supports multiple configurations—featuring curved and tilted elements—that contribute to its sculptural and sinuous aesthetic. Whether used individually or as part of a larger composition, the Adore seating poufs bring a fresh and innovative approach to furnishing the living space

ELIZABETH

Elizabeth by Able Design Studio is a luxurious, sculptural, and multifunctional furniture piece that elevates any interior with its refined design and distinctive personality. Whether used as a stylish designer pouf, a compact bag stool, or an elegant display platform for luxury accessories, Elizabeth living room poufs add a refined touch to upscale environments such as boutiques, hotel lounges, restaurants, or high-end residential interiors.

The design takes inspiration from the hourglass feminine silhouette, highlighted by a sleek, contrasting MDF band running through the center. Its symmetrical vertical leather patterning creates a striking visual rhythm, and can be customized in monochromatic tones or contrasting color combinations to reflect individual aesthetics.

SELENA

Selena by Able Design Studio present a refined and captivating ottoman lather pouf design, inspired by the natural elegance of a blooming flower. Their distinctive silhouette, paired with vertical quilted padding, creates a soft sculptural presence that enhances the ambiance of any interior space. The high-quality fabric upholstery captures and reflects light beautifully, adding dimension and sophistication through subtle color play.

Salena leather round poufs, crafted with a bright laminated wood base available in seven luxurious finishes—including polished brass, matte golden, polished golden, copper, and gunmetal—the Selena poufs allow seamless coordination with any design palette. The striking base contrasts elegantly with the soft upholstered top, resulting in a harmonious balance between modern luxury and artistic flair.

LIPSTICK MAX

The Lipstick Max modern pouf, designed by Able Design Studio, is a stylish and functional addition to any interior space. Inspired by the iconic lipstick baton, this upgraded version of the classic Lipstick Pouf includes a built-in headrest, making it perfect for vanity stool set in bedrooms.

With its sleek mid-century style, this pouf with headrest effortlessly blends into various décor themes, adding elegance and sophistication. It can double as an extra seat for guests, or as a chic pouf stool providing a comfortable spot for daily use or while getting ready.

Able Design Studio is renowned for its precision and attention to detail in crafting completely customized and bespoke products. With their own in-house factories, they ensure that each piece is made with utmost care and quality. The wide range of high-quality leathers and fabrics available allows you to personalize your Lipstick Max Pouf, selecting the upholstery color that represents your preferred lipstick shade.

ALTEA

Altea, a stunning example of modern craftsmanship and design aesthetic, is the ultimate pouf companion for any room setting. With its practical and quick seat functionality, it can effortlessly be moved in and out of the room or conveniently tucked away.

The pouf's padded area features a minimalistic design, but what truly sets it apart is the addition of the carry around wooden frame. This innovative feature not only enhances its unique appeal but also makes it incredibly lightweight and portable.

Altea seamlessly blends into any environment, thanks to its versatile design. The structure is crafted with a multilayered wood panel and flexible polyurethane foam, ensuring durability and comfort. The seat cushion is made with layers of high-resiliency (HR) foam, providing optimal support.

AMORINO

The Amorino Pouf, part of the Amorino Collection, is a stunning piece of furniture that showcases the synergy of multiple departments in creating a true work of art. Inspired by the rose, a symbol of intimacy, love, and balance, the Amorino Pouf captivates with its elegant shapes, curves, and intricate stitching details, embodying the blossoming beauty of springtime flowers.

Crafted with a sturdy structure of fiberglass and resin, the Amorino Pouf boasts both durability and a sleek, modern appearance. The cushioned seat is meticulously constructed with shaped polyurethane and polyester fiber, providing exceptional comfort and support.

Personalization is key with the Amorino Pouf, as you can choose from a wide range of high-quality fabrics and genuine leather upholstery options to suit your personal style and the decor of your space. Unlike the Amorino Armchair, the Amorino Pouf is a static, non-rotating piece that seamlessly integrates into any living room, lounge area, or office setting.

Architectural reflections for modern living.

MIRRORS

DYNAMIC

The Dynamic wall mirror is the perfect statement piece for any stylish interior. This modern mirror is crafted with a sleek metallic frame that allows it to be mounted both vertically and horizontally, adapting beautifully to your space. Its rounded corners and brushed brass finish add just the right touch of sophistication, making it an ideal decorative mirror for wall for refined environments.

More than just a makeup mirror with led lights, the Dynamic Mirror features integrated LED lighting that softly diffuses ambient light. Whether placed in an entryway, bedroom, or lounge, this large mirror for living room enhances the atmosphere while offering a clear, crystal clear mirror surface. And thanks to its customizable mirror size options, it fits seamlessly into any layout.

Dynamic

Monique

Elaine

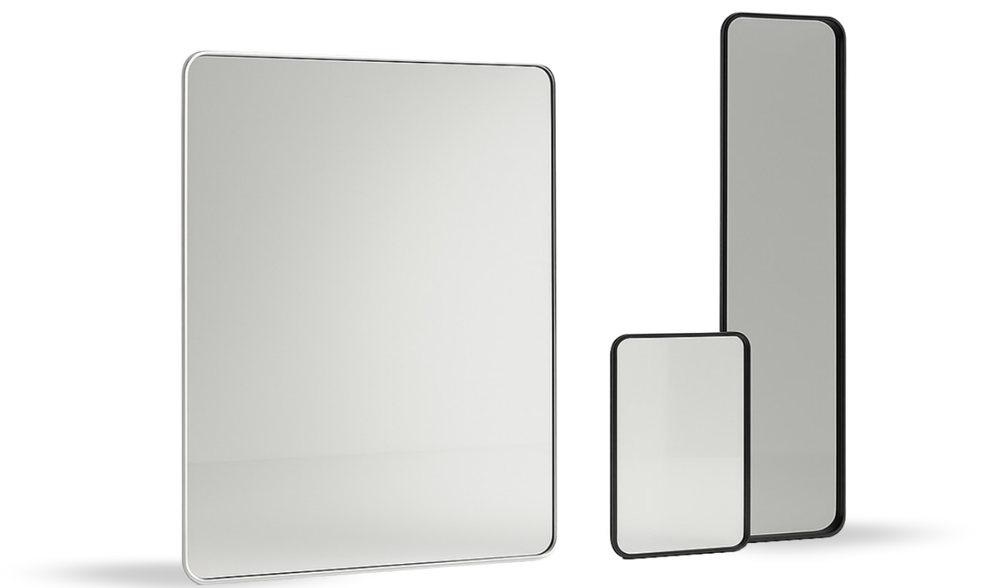

Odette

Genevieve

MONIQUE

The Monique is a bold and elegant large mirror, designed to serve both function and beauty in contemporary interiors. Featuring a handcrafted MDF and upholstered mirror frame, it brings warmth, softness, and style to any space. Whether wall-mounted or freestanding, this large rectangular mirror instantly enhances the depth and luminosity of a room, making it perfect for various layouts and uses.

With its expansive reflective surface, Monique large decorative mirrors beautifully diffuse ambient light, adding brightness and balance. The strong yet artistic frame, crafted by skilled artisans, showcases the attention to detail that defines a true handcrafted wall mirror. It's not just decor—it's a functional statement, ideal for living spaces,entryway, or lounge.

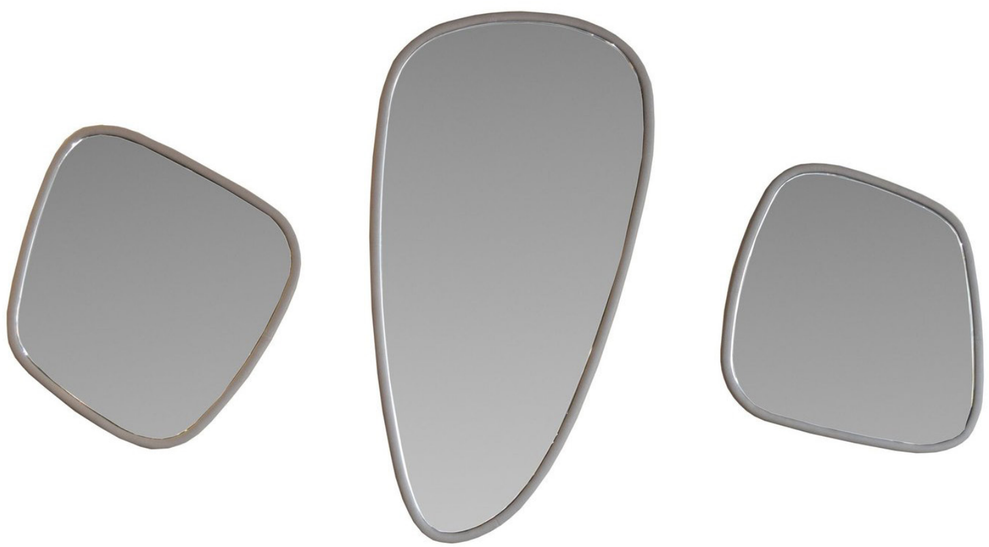

ELAINE

The Elaine Mirror is a beautifully crafted wall mirror decor that brings elegance and personality to any room. Its unique form—gently leaning against the wall—gives off a relaxed yet refined vibe, perfect for making a quiet statement in modern interiors. This large oval mirror works beautifully as a solo piece or grouped in threes for a bolder visual impact, making it an ideal mirror for entryway, lounge area, or mirror above console tables.

Crafted with a stunning metallic frame interior that widens gracefully toward the edges, Elaine wall mirror for living room creates an airy, modern feel. The reflective surface diffuses light effortlessly, adding brightness and depth while doubling as a sophisticated accent wall mirror. Whether used in private residences or hospitality spaces, this wall mirror fits naturally within upscale environments.

ODETTE

The Odette LED full length mirror is a perfect expression of sophisticated design and versatility. Whether placed horizontally or vertically, this sleek and modern large mirror with led lights elevates the aesthetic of any room. Designed to blend into both residential and hospitality interiors, Odette is ideal as a lighted mirror for bedroom, dressing areas, or as a standout piece in a living room or hallway.

Its reflective surface offers exceptional clarity, while the integrated LED lighting provides both practical illumination and mood-enhancing ambiance. This large mirror with lights, not only lights up your space but also enhances the depth and brightness of any environment, making it a beautiful and functional led bathroom mirrors or led vanity mirror for personal settings.

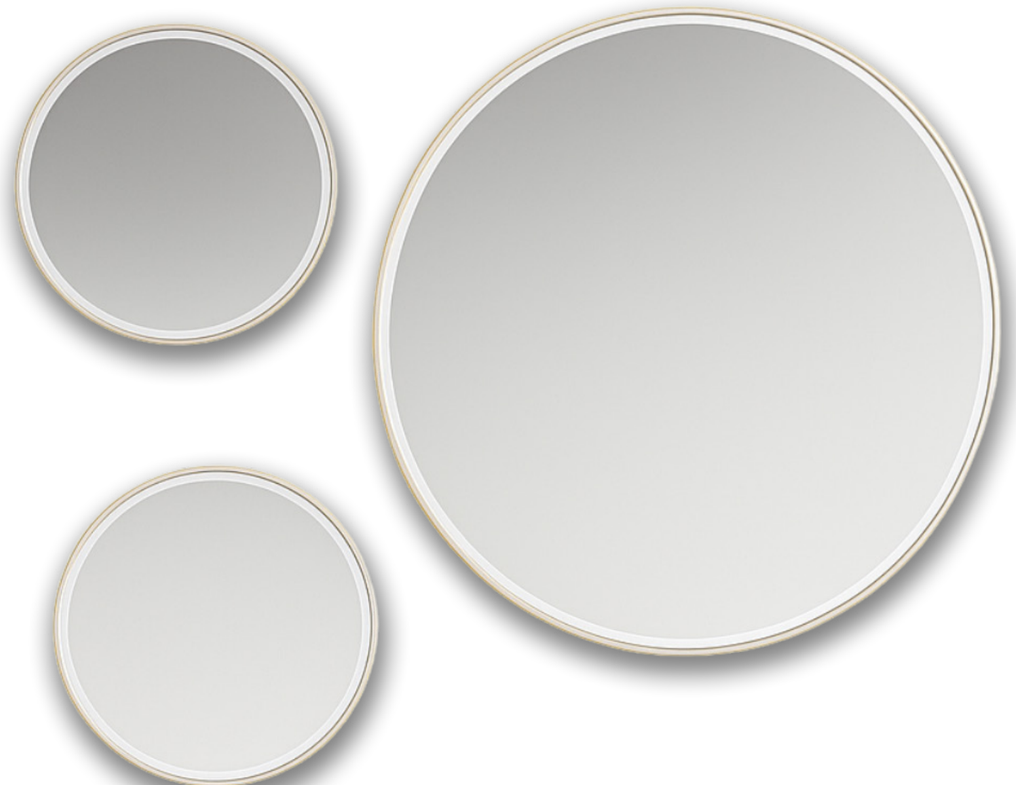

GENEVIEVE

The Genevieve large round mirror is a statement piece that effortlessly combines timeless sophistication with practical design. This elegant mirror is available in clear, bronze, or fume glass, allowing for a fully customizable look that suits a variety of interior aesthetics. Its slightly inclined mount gives it a unique architectural flair, making it a refined round mirror interior design for any room.

Framed with a precious metallic border that expands gently toward the edges, the Genevieve large round wall mirror radiates understated luxury. The sleek design not only complements contemporary spaces but also enhances natural light, making it a highly functional mirror with a metallic frame. Whether you choose the classic clear finish, a warm bronze round mirror, or a moody fume glass mirror, this piece is designed to elevate your décor.

Engineered with precision—every unit reflects exacting detail, tailored to your vision.

LUXOR

The Luxor display cabinet, designed by Able, showcases exceptional craftsmanship in its aluminum and glass structure, accentuated by LED ambient lighting. This modern cabinet, is designed to enhance the mood and character of your living or dining spaces, adding a touch of elegance and sophistication.

The Luxor glass display cabinet, features MDF fiber wood in a variety of Egger options, along with aluminum and tempered glass available in fume, clear, or dark gray. The metallic finish can be customized in various colors, allowing you to personalize the cabinet to suit your style and living environment.

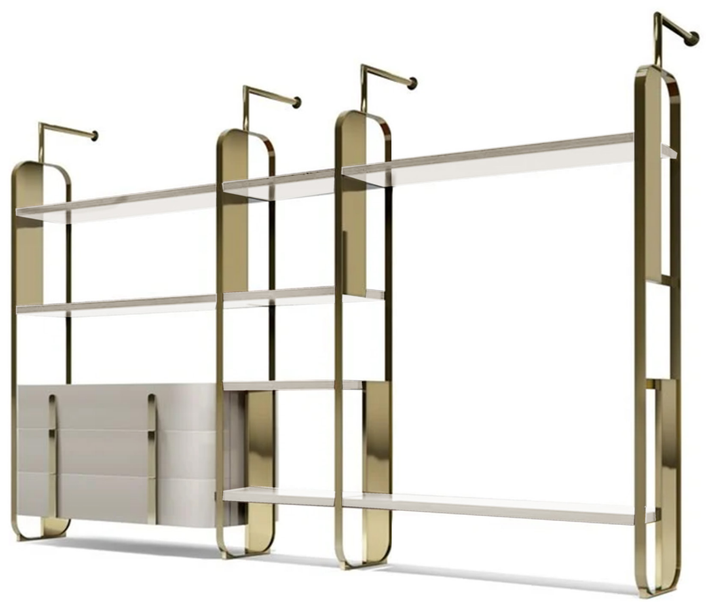

BELLA

The Bella cabinet, designed by Able, is a metal shelf storage unit that offers practical storage solutions with its shelves, trays, and drawers featuring lacquered fronts. This versatile cabinet is specifically designed to serve as a space divider, providing both functionality and style.

The Bella cabinet features a modular system with a metal frame, allowing for easy customization and configuration. It includes open vanes, containers, and dedicated accessories such as lacquered shelves and drawers. The cabinet can be produced in various measurements to suit your specific needs and preferences.

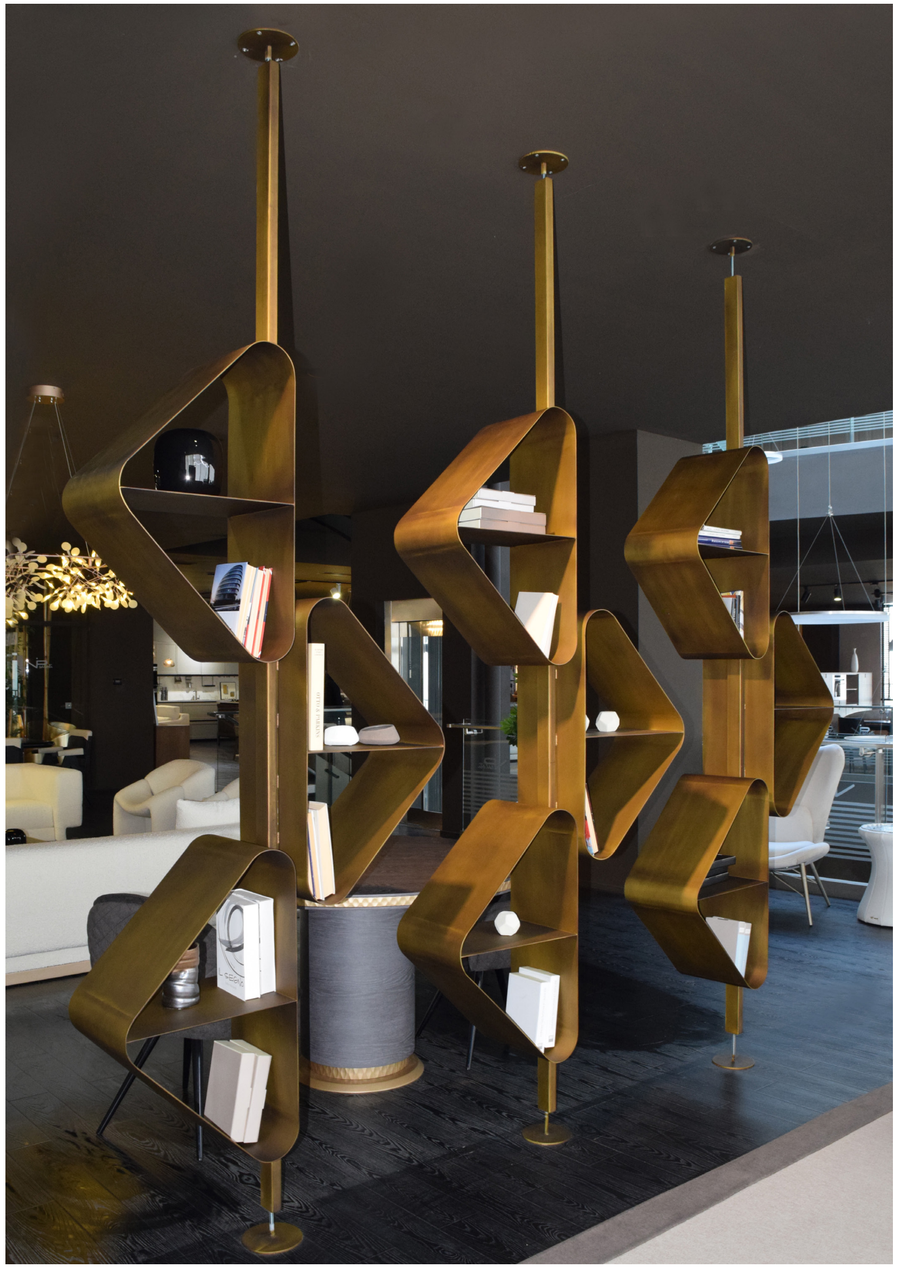

GISELLE

The Giselle metal storage unit offers customizable options for customers. It can be placed in various locations such as the living room or office, and its rotating mechanism allows for versatile composition in different directions. With a metallic paint finish, this modern metal storage unit by Able becomes a decorative column when placed in the center of a room. Inspired by a sail that stands out on the horizon, the Giselle bookcase with storage adds a unique touch to any living area.

Whether fixed or with an optional rotating mechanism, the Giselle bookcase provides flexibility in adjusting its direction to suit individual preferences. Designed to seamlessly complement other Able products, Giselle is perfect for corporate, hospitality, or private residences. Incorporating this exquisite modern storage unit into your design creates a cohesive and harmonious atmosphere in your indoor area, showcasing the impeccable craftsmanship and sophistication that Able is renowned for.

DAVID

David wall mounted bookcase is a stunning library and accent wall, offers both functionality and style. Crafted with premium hardware and adorned with the finest Italian Leather, it exudes elegance and sophistication. Its purpose goes beyond storing books; it also provides a platform to showcase your cherished photo albums, sports awards, and family memorabilia.

The David storage unit with drawers can be tailored to your preferences, allowing for customization in dimensions and choice of materials. The structure is made of MDF, ensuring durability and longevity. The interior features with push-to-open/close fabric upholstered drawers, providing easy access and a luxurious touch. The exterior boasts a Walnut Veneer Finish with Leather upholstered drawers, adding a touch of opulence to any space. The mechanism is designed for convenience, with push-to-open and close doors.

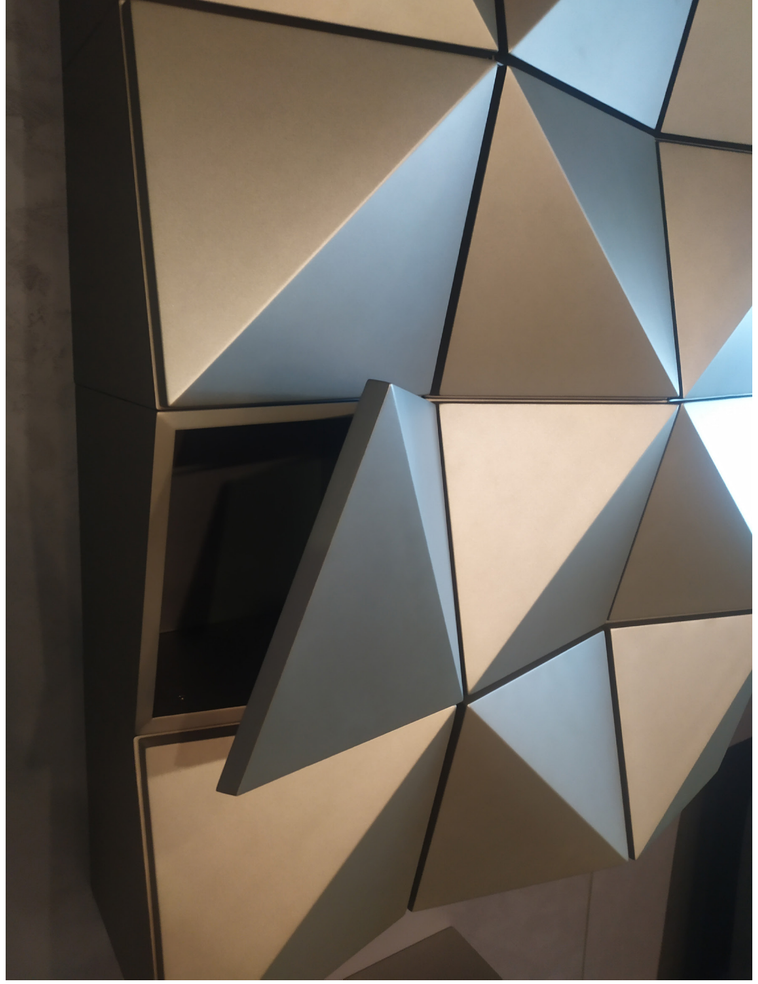

PIXEL

Pixel, a dynamic Pixel wood storage unit, offers endless possibilities for creating unique compositions. Available in wood with a choice of matt or shiny lacquered finish, satin brass or titanium finishing, Canaletto walnut, silver or gold leaf, allows for customization to suit your personal style. Whether you prefer a single-face unit with a left or right opening, or a double-face unit with double opening, Pixel can be tailored to your needs.

With Pixel modular storage unit, you have the freedom to design compositions in various sizes and shapes. It can be hung on the wall or placed on the floor with a plinth and cover top, allowing for versatile placement in any space, making it a perfect wall shelf storage unit or floor-standing option.

MILLIE SU

Millie is a versatile utility unit made of aluminum and finished MDF, designed for both the bedroom and living room. It features open shelving, drawer storage unit spaces, and a desk, making it perfect for hotel rooms where space is a luxury. This piece efficiently utilizes wall space, providing all the necessities for a quick-stay reservation.

The design of Millie is inspired by the style of the 1950s, with a touch of contemporaneity introduced by elements like the rounded section of the solid wood shelves. The Millie modular storage unit elements of Millie allow for endless possibilities in decorating your home and creating separation in open spaces, while maintaining a sense of depth and transparency. By using Millie as an alternative to walls, natural light is not hindered, creating a more open and inviting atmosphere.
